Subject: "let brotherly love continue"

Dear Bro. Wilson,

I know that it has been quite some time since you have heard from me. I am still hungering, thirsting, travailing, wrestling and with such a fervent inward desire as you all at LWB and the brethren the world over to be like JESUS.

I hope and pray, that GOD will continue to bless you all at LWB and those other lighthouses he has placed the world over, providing for his elect his word as they have need off.

I would like to express my sincere gratitude and thanks for the newsletters. It has been rather comforting. I do express my thanks again, for sending me 'The seven ages' GOD grant to you all at LWB a very special blessing.

Love you all at LWB.  
David Maharaj

**I will restore healing. I will restore the Holy Spirit. I will restore the joy. I will restore everything** that the first church had. I will restore it again in the last days." And **we are living here in the day when it is.**" [True Vine And The False Vine, MACON GA 55-0607]

"I will restore all the years that the denominations eat. I'll restore all the years. I pruned the thing off. But yet there'll come a vine out of the heart of it. He'll be like a tree that's planted by the rivers of water, **a man that meditates in the Word of God day and night,**" not to a creed or a denomination, but "meditates in the Word day and night, he'll be like a tree that's planted by the rivers of water. He'll bring forth his fruit in the seasons." [Jehovah Jireh 1 Louisville MS, 64-0402]

"A restored Eden has begun. See? All the curse is gone, just like all the curse of sin is gone **when the Holy Ghost accepts you.** It accepts you, 'cause it's God's attribute. Sin's lost its power. Amen. The desire of sin has done gone from your heart when the Holy Spirit comes in. **You are a restored person.** And then when the earth is restored by the same thing, there can be no more cursing, no more storms, no more winds, no more taphoons--typhoons, rather; you're reconciled." [Future Home, JEFF IN 64-0802]

"And if Satan has robbed you of the privilege of being a son or a daughter of God, we have a right this morning by the Holy Spirit to enforce the claim of God: "Bring them back." If he's afflicted you and made you sick, we have a right before God to enforce the laws of God: "By His stripes we are healed." Amen. Bring him back; turn him loose. Bring him back." Now, that's the enforcement. **Restore it back to its natural condition** again. [Restoration Of Bride Tree, JEFF IN, 62-0422, pp16-5]

**I Will Restore Unto You** is our Bible Study Subject for February 2005.

We appreciate your continued support, especially your prayers for the **daily leadership of the Holy Ghost.**

**We pray that God will restore you unto End Time Gospel**

— Brother Robert Wilson

## Featured Questions and Answers

### QUESTION:

**I lived many years in sin until I found the Lord. I have sinned again, and I don't feel worthy to come before Him. Please tell me if I can be restored wholly again. Please help me, Brothers, I have a devil in me. Help me. What can I do to be restored again? I need someone to lay hands on me.**

### ANSWER:

"Howdy do, sir? Now, there's something strange about you, sir. Satan has desired to take your life. You're all tore up. You think you've sinned away your day of grace. You think your life is ruined. Do you love Jesus? What makes you love Him? Before there could be anything to there make you love Him, there has to be a Creator to create the love in your heart. Is that right? If you'd sinned away your day of grace you would hate Jesus. But you love Him, and you're all right. And the devil's just lying to you. You're nervous. Come here and I'll cast him away for you if you'll believe. Do you believe it? Bow your head, and keep your heads bowed, everyone, till you hear me say, "Raise up." This is

demonology. Almighty God, be merciful to the boy. He stands here, and Satan trying to get him to get in this condition to commit suicide. But Thou art here to relieve the boy, and to make this evil spirit go. And Thou has said, "These signs shall follow them that believe. In My Name they'll cast out devils." Then upon the authority of God's Word, as a believer, I now ask the spirit that's on the boy, of unbelief, to leave him. Go out in the Name of Jesus Christ, and bother him no more. And I set him free, and may the enemy be bound and leave this room, and torment no one else, in Jesus Christ's Name." [Expectancy Owensboro, KY 53-1108E]

"Now, you're all right. Now, you can raise your head. Feel all right now, son? Is that right? Devils... You'd have committed suicide in a few days. That was on his mind. He thought he'd sinned away his day of grace. When he come up, a real black, heavy, like a fog, meeting me in the face. That's devils. The boy is free, now feel happy. Go on home rejoicing, thanking God for His goodness to you. God bless you. Let's say, "Thanks be to God."

**"Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give."** [Matthew 10:8]

**Featured Questions And Answers** *(continued from page 1)*

[Congregation says, "Thanks be to God."--Ed.] *[Expectancy Owensboro, KY 53-1108E]*

"And I told her just exactly the vision I'd had. I said, "The Blood of Jesus, sister, still atones for you. As long as you're mortal like this, you still have a chance to be saved." But I said, "When you go beyond that Blood, you're already judged." I said, "Won't you..." She told me her story, and it was enough to grind the heart of a stone man, how that she once was raised in a Christian home, an old fashion Methodist parent who went to church and did what was right. She married a husband; he started drinking. She had daughters, and they were even members of the church themselves. And how she'd took the road that was wrong. She said, "I've sinned away my day of grace." I said, "Look, do you still have respect for the Lord Jesus?" She said, "I do, sir." I said, "Then He hasn't left you." I said, "No, He's still got mercy for you." Said, "You think He'd receive me right like this?" I said, "Yes, ma'am." I took her by the hand, knelt down there, that place, and brother, we broke that place up into a prayer meeting, when we led her to the Lord Jesus. Yes." *[The Waters Of Separation Macon, GA 55-0606]*

**QUESTION:**

**An anthropologist (Spiritualist?) told me many things about myself. I am scared because what she said was true. I asked if she is a Christian, or if that was from God or anywhere. She rather referred me to testimonials. Please Brother I don't know what that means.**

**ANSWER:**

"Now, when it comes to creation of things, it's true. Jesus never right straight out created anything and brought it into existence. He took a substance first. He took water, made wine. He took bread and made more bread. He took fish and made more fish. But He promised that greater things than this would be done. See? You see? Now, why? It's in a more evil day than it was when He was here. See? It's still Him, but using your tabernacle. See? And this person that's in you, which is your birth... You are John Doe; you were born in a certain month, and you were borned under a certain star; you were borned under a certain thing, and that has something to do with you. Certainly does." *[Questions And Answers 3 Jeff. IN COD 64-0830M]*

"Now, that's your birth path; that's what you are, a natural man or natural woman. But when you're reborned again, that's not the outside conscience. The outside is what you see, taste, feel, smell, and hear, but the inside of that is what you really are. Now, this out here, Satan just tempts you and knocks you around every way here; but down here he can't do it unless you let him do it. For in here you've got faith, and faith don't come from the outer conscience, it reasons. But in faith there's no reason. You've got it from God, and you know it's there. I don't care how much it looks wrong, you still know it's right; it's THUS SAITH THE LORD. See? And there's nothing going to bother that. Nothing can bother that; it's moving right straight on. Difficult means nothing to it; wades right on through it, for It's the Word. And the Word's the Sword, and the Word cuts. The Sword cuts Itself free from everything else. You see? Takes the hand of faith to hold that Word. That faith's got to be..." *[Questions And Answers 3 Jeff. IN COD 64-0830M]*

"...One day I was going up the road to patrol up at the Henryville State Forestry. And I got on the bus. And now, listen every one of you, closely. The strange thing it was, that every time I meet a demon possessed person, like a fortuneteller, or something, they'd speak to me, and seem to know me. And then that would scare me to death." *[Early Spiritual Experiences Hammond IN 52-0713A]* "Notice, then there was three ways that they had of finding out things from God; the first was--was the prophet, the second was a dream, and the third was the Urim Thummim. And they neither would answer. Now, you know what a prophet is, and you know what a spiritual dream is, and you know what the Urim Thummim was. You know what, the other day I asked a--a man what about the Urim, and that man couldn't tell me what it was, the Urim Thummim. 'Course it was God answering, but he... See and the devil makes a counterfeit of every one of those. The wizard, the false prophet, and the crystal gazer..." *[Demonology Religious Realm Connersville, IN 41-78 53-0609A]*

"Sure the devil has a pattern for everything God has. He has a hypocrite out there trying to act like a Christian. That don't mean there is no Christians. It's true. He has an old witch setting out there on the corner, and a--a mental psychic reader setting over there with a fortuneteller. She is a devil trying to impersonate a prophet. But that doesn't take away the value of a prophet. Certainly not. It just only magnifies the prophet..." *[God Perfecting His Church Binghamton, NY 54-1204]*

"The strange thing was, friends... Well, I'll stop right here just for a minute, go back. What made me more scared than ever, every time I met a fortuneteller, they would recognize something had happened. And that would just... It just nearly killed me. For instance, one day my cousins and I was going down through a--a carnival ground, and we was just boys, walking along. So there was a little old fortuneteller setting out there in one of those tents, a young lady, nice-looking young lady, she was setting there. And we was all going, walking by. She said, "Say, you, come here a minute." And the three of us boys turned around. And she said, "You with the striped sweater..." That was me. And I said, "Yes, ma'am?" I thought she maybe wanted me to go get her a Coke, or something another like that. And she was a--a young woman, maybe in her early twenties, or something, setting there. And I walked up; I said, "Yes, ma'am, what could I do for you?" And she said, "Say, did you know there's a--a Light that follows you? You were born under a certain sign." I said, "What do you mean?" She said, "Well, you were borned under a certain sign. There's a Light that follows you. You were born for a Divine call." I said, "Get away from here, woman." I started moving on, 'cause my mother always told me them things was of the devil. She was right. So I... That scared me." *[How The Angel Came To Me And His Commission Chicago. Thunders Deep to respond! Glory to God! By the time I got home, I was ravenous for more of the Word! I had seen the Living Word site before so I tuned in and dug out what books and tapes I still had, by the Grace of God. The Brother told me to get back on where I got off. Praise God! I had the Penn-Harris '92 meeting tapes and started thru them. One of the Brothers preached about a spiritual identity crisis and about Moses realizing who he was and that changes had to be made. Praise God! No more identity crisis! Christ gave me the faith to know that I am his son and it was all over before the beginning!

On November 6, by His grace the Lord blessed me with the baptism of the Holy Ghost, Sealing me during a special Saturday night prayer service. Glory to God! It was nothing I did or could do to deserve the gift but was purely by the grace of God and to glorify Christ. I cannot find the quote right now but you know the one about when we receive the Holy ghost birth it will be in front of others and when we receive the fullness, adoption, He will take us out someplace in the presence of angels. This was my faith birth. You know words cannot do it justice. When I came to myself, I was worshipping like never before. I could not and did not want to stop shouting "Hallelujah!" When the fullness comes, we will not be able to contain it! No wonder Bro. Branham was so nervous and crying and shouting in the pulpit. Praise God! In mid October, I was finally weaned off my psych. meds. After over 5 yrs. When I went to the doctor last week (end of November) he said I "looked like a new man". After we talked a little, I was able to give God the glory with a quick testimony. As he left the room the doctor smiled and said, "Welcome to your new life". He does not know the half of it. Halleluia! Glory to God! Through the prayers of the saints and through His grace our God has called me back out of unbelief, healed the pain in my knees, healed my mind, healed my soul, and filled me with His Holy Spirit just since August 7th! Glory to God! He is the same yesterday, today, and forever!

Christ has opened my heart to so much and shown His Love to me in so many ways this last few months I do not have the words to express it! All I can do is praise and worship Him! I pray this testimony is a blessing to His people, for the glory of our precious Lord and Savior, Jesus Christ.

Praise God! In the winter of 92-93 I got caught up in unbelief and walked away from the Lord and went back to my long-haired, pot smoking hippy ways. Then on August 7th, 2004 I was at a wedding supper where there was just enough spiritual wine to make me thirsty. An old friend and deacon was there and we got to talking. He says he does not remember what he said but my soul heard, "Where wast thou when I laid the foundations? ... When the morning stars sang together, and all the sons of God shouted for joy?"
