Subject: Thank You

Hello,

I would like to thank you for sending me the books this is just a confirmation that I have received them. I would like to apologize for not replying earlier but as I have mentioned before I only have access to the internet at school.

I haven't started reading them yet but something is compelling me to just lay down everything and start reading because I know that by Gods grace I will find the answers too many questions that have made my "walk" heavy and unpleasant. I ask that you help pray for me to get back on track.

The Lord bless you all dearly and grant you that which you sincerely desire in Jesus Christ name... Thank you once again.

God bless you and keep you in fellowship with him (because that is the greatest gift of all that he can give that I know of this far).

Bro Billy Moumakoe

“You cannot be blessed and God cannot do nothing for you till you completely obey Him.” [Abraham Restored, Long Beach CA, 61-0211]

“Fully obedience to the whole Word of God entitles us to the Token. Then when we pray, we must have the Token to present with our prayer. If you say, "I pray, Lord, but really I haven't..." Well, there you go. You just might as well stop. See? **Go in first and get the Token** (See?), 'cause that Token's what He will recognize. See? Yes, sir. **When we pray, then we must present the Token: "Lord, I have obeyed You fully.** I've repented of my sins. I feel that You have forgiven me. I've been baptized into the Name of Jesus Christ. The Holy Spirit is upon me. Now, I have need of certain thing for Your glory. Lord, I ask for it. It's mine now." [The Token, Jeff, IN, 63-0901M]

“And God never did completely bless Abraham **until he fully obeyed Him** and separated himself. And **God will never bless an individual or a church,** or a congregation, or a denomination, until it fully surrenders itself in obedience to God.” [Jehovah Jireh, Long Beach, CA 61-0209]

“He saw the miracle of God, after he acted on the Word of God. Where is your miracles? Act on His Word first. How could the walls be shook down, and leave one little house standing, a harlot's house? Because she acted on the Word of God. Why did the rest of them die and she lived? She acted on the Word of God, and she saw the miracle of God. That's the way to find it; act on the Word.” [If God Be With Us, JEFF IN, 61-1231E]

“If you want to know Who God is, just act upon what He says Here. Repent, every one of you, and be baptized in the Name of Jesus Christ, and you'll become a miracle.” That's His promise. [If God Be With Us, JEFF IN, 61-1231E]

QUESTION:

I have been baptized in Jesus name on 26th Jan 1988. But till today I am not filled with the Holy Spirit. Today I long to be filled, but I wonder I need to be re-baptized to be filled. Also, how do I know that I am filled with the Holy Spirit? Is it any kind of speaking in tongues identifies being filled?

ANSWER:

“When you surrender fully, He'll come in fully. But until you surrender, He can't come in fully. Surrender. Surrender your thoughts; surrender your thinking; surrender your life; surrender your all; surrender your prestige. Surrender everything to Him now, and He'll come in and fill you with the Holy Ghost. That's what He's here to do. He's already struck two or three here in the building. There's more than that want the Holy Ghost. Just keep believing. Glory to God. Either right or wrong... Amen.” [God Hiding Himself In Simplicity ALBQ. NM 63-0412E]

“If you have need of the baptism of the Holy Ghost, if you have need of a rededication, a new life... Your

pastor won't despise you; he'll love you for it. Just give yourself completely to God tonight, while we're here. Let... It's... I know it's been hard, cutting, strange; I don't do that to be mean; I do that to be honest. I do that because I love you; I love God, and I do it to try to help you. And truly, friend, I--I-I believe... And with all my heart, with all my faith, I believe that my message comes from God. It's--it's been proving that to you through the years. Now, listen, tonight surrender everything you got, everything that you have need of. I believe, with a true, surrendered heart, if you would just stand upon your feet, and raise up your hands to God, and say, "Dear God, here I am. Take me, Lord. No more will I try to use my own mind and my own interpretation. Your Word says I must be holy; I must be born again; I must be filled with the Spirit; and then the Spirit will lead me into all the truth. Dear God, here I am; lead me." Would you do that much? If you'd do that much, raise your hand, say, "I'm willing to do that; I'm willing to." [Modern Events Are Made Clear By Prophecy SBD. CA V-7 N-6 65-1206]

cut the end of her hair if it is breaking?

ANSWER:

"And now, but cutting the hair, I--I--I'll tell you this. I can't--I--I ain't got no--no Scripture to say that you can cut so much of it and can't do the other. I--I haven't got no Scripture for that; I--I couldn't tell you that, sister, or brother, ever who it is. I say one thing. I wished... Now, I know my kids has done that too, Rebekah and Sarah, I seen when they cut their hair off here in front, and plait it back here in the back, and make these things across the front, like this. I--I don't, I--I... Now, not holding them. See? No, sir. To me, I wished they didn't even put a scissors on their hair at all. But when they got all long, hanging down like this, and just cut the front of it out of their eyes, little kids maybe. I--I wouldn't know whether that'd be wrong; I wouldn't think so. See? But when you get... If you can, I--for you sisters, I'd just let it the way the Lord made it. See?" [Questions And Answers 3 Jeff. IN COD 64-0830M]

QUESTION:

According to this End Time Message, what did Brother Branham say about the 7 thunders?

ANSWER:

"Now, someone has been, many has been saying to me, and theologians said, "Brother Branham, if the Lord God..." Said, "If--if with your experience that the Lord has given you for His people," humbly saying this, said, "you'd be eligible to write a--a Bible yourself, your Word that God has manifested." I said, "That might be true." See, he was trying to catch me. See? And I said, "But, you see, I couldn't do that." He said, "Why couldn't? You have all the qualifications." I said, "But, you look, one word cannot be added or taken away." See? And he said, "Well then, them seven thunders (You see?)," said, "wouldn't them seven thunders blasting out, won't that be a revelation be give to some man?" I said, "No, sir, it would be adding something to It or taking something from It." It's all revealed in there, and the seven seals opened up the revelation of what that was. See? He's still in the Word. You see, you can't get out of that Word. It won't leave the Word. And God's Spirit will never leave that Word. It'll stay right with the Word, blinding some and open the eyes of others. It'll always do that." [The Unveiling Of God Jeff. IN V-9 N-164-0614M]

"Have the seven thunders which equals seven mysteries already been revealed? Were they revealed in the seven Seals, but are yet--but are yet not known to us as the thunders yet? No, they were revealed in the seven Seals; that's what the thunders was about. They was to reveal... The seven thunders that had uttered their voices and no one could make out what it was... John knew what it was, but he was forbidden to write it. He said, "But the seventh angel, in the days of his sounding, the seven mysteries of the seven thunders would be revealed." And the seventh angel is a messenger of the seventh church age. See?" [Questions And Answers 4 Jeff. IN COD 64-0830E]

QUESTION:

What are the elements of the communion bread as taught by Bro. Branham?

ANSWER:

"..We would pray that You'd speak to us for a few moments in the Word, then bless us in the communing service afterwards, as we take the broken parts of this kosher bread

and wine, that represents Your broken Body and shed Blood for the remission of our sins..." [What Does Thou Here Jeff. IN 59-0301E]

"...Wine and bread is the communion. They took communion after the battle was over. Sure, one of these days we're going to take communion again when the battle is over. When we brought back the lost children, the lost sheep of the fold, have brought them back into reconciliation, and life is finished, then we'll have communion again with the Melchisedec of heaven, Christ. He will bring out the bread and wine, and we'll enjoy it together." [The Faith Of Abraham LA, CA 59-0415E]

"...the Lord Jesus the same night... he was betrayed took bread: And when he had gave thanks, he brake it, and said, Take, and eat: this is my body, which is broken for you: do this in remembrance of me. After the same manner also he took the cup, and when he had supped, saying,... (the cup now)... This is the cup of the new testament in my blood: this do... as oft as you drink it, in remembrance of me. For as oft as you eat this bread, and drink this cup, you do shew forth the Lord's death till he comes. See? It's a communion. I do realize and do agree that the--the body of the Lord, the living Word is Christ Himself. But these are symbols just like baptism, and footwash, and other ordinances of the church. But communion is absolutely essential for the bread, now, bread and wine." [Questions And Answers Jeff. IN COD 59-0628E]

"Wherefore whosoever shall eat this bread, and drink this cup of the Lord, unworthily,... Now, the question was asked here: "You taking--you taking wine and crackers, sickness and sleep on you." See, that... I believe that the question is, that the only worship there is, is in the Holy Spirit, worshipping in the Holy Spirit. That is exactly the truth. You have to worship... All worship's in the Holy Spirit, and Paul's trying to say here, that you must be in the Holy Spirit before you do this or you eat and drink damnation to yourself (See?), before you do this, before the order's carried out." [Questions And Answers Jeff. IN COD 59-0628E]

"Now therefore, I believe that the eating of the cracker... Now, I do not believe that kosher bread should be substituted for a cracker. I believe that it should be a holy unleavened bread, the type of the unleavened bread that was made in Egypt. And I believe that the Blood should not be grape juice, but it should be wine. Grape juice sours and spoils as it gets old. But wine gets better and stronger as it gets old; it never loses its strength. And the Blood of Christ doesn't sour and spoil; as it gets older, it gets stronger and better as the days goes by to the believer. And it is a literal wine and bread. Communion bread should be made by people who's dedicated themselves and consecrated themselves to God. I went to a church once where they taken this old loaf bread, where sinners cursing and carrying on, and filth, and cut up that old bread and stuck it out there with some kind of a juice to drink. To me that was--that was ridiculous. I believe it should be just exactly the way the Scripture said it should be and not vary one speck from the Scriptures, stay right with It." me she went to the Assembly of God church. I made a mistake of telling her I used to go to that church. Needless to say, she kept asking me to go to church with her but I kept refusing but I did send the children to Sunday School with her. In November 1952, she told me about the evangelist Oral Roberts and said that he was bringing his big tent to a town near us... and asked me if I wanted to go. She told me she was going in the prayer line to be healed so I decided to go. The first night I was under such conviction till I folded my arms across my chest real tight so I wouldn't raise my hand during the altar call. The next night I went again and did the same thing. Then God spoke to me and said "If you don't accept me this night, you'll never get another chance" so I got up and ran to the altar. I was saved that night and was only 24 years old at the time.

I started going to Assemblies but after awhile was not completely satisfied so over the years went to different churches some independent and some Pentecostal denominational. I seemed to be always searching for something. My husband was saved in 1961. It wasn't easy serving the Lord alone all those years and taking all six children to church.

In January 1965, my friends told me they were going to Phoenix to the Full Gospel Men's Convention and told me Oral Roberts would be one of the speakers. She also mentioned that a Bro. Branham would be there, but I had never heard of him, so I went with her to hear Bro. Roberts. When Bro. Branham came out to preach, he said "Good Evening Friends" and I knew right away that there was something special about him. He started calling out people and telling them who they were, where they were from and what their problem was. I had never witnessed anything like that before. When we heard that he was to be at the Biltmore Hotel in Los Angeles in April of 1965, we decided to go. He preached "Choosing of a Bride" and what a sermon that was. We finally went back to the Assemblies and was living in the parsonage next to the church. I was getting more and more discouraged with the church. I was praying for the Lord to make a way for us to move. I knew the Lord had to convince my husband to move if it was going to come to pass.

In November 1972, Clyde had a few days off so he said he would fly over to Tucson and if the Lord provided him with a job, we would move. I prayed the whole time he was gone. But when he came back and I asked if he had found one, he said "Not exactly, and my heart fell. But then he said, "Bro. Billy Collins offered me a rent free apartment with utilities paid if we would manage his 32 unit apartment complex" and to my surprise he accepted the offer. This testimony is only being given to magnify our Lord. He gets all the glory. God Bless all of you.

Excerpts from Our Guestbook, Testimonybook & Eyewitness Accounts

● **May 10, 2005 - 11:49 PM Margaret Peterson from United States** I pray that my testimony will be a blessing to all those who read it. It proves that God can take a sinner and change their life.

As a little girl I always wanted to go to church, my parents weren't Christians so I would walk to a church near our home and go by myself. When I was about nine years old I went up front and shook hands in the Baptist church and was baptized but there was no power to keep me so I soon went back to my old ways. At 13 years of age, I did the same thing at the Church of Christ.

I was sixteen when I got married and by eighteen I had two children. My son James was 5 months old in the summer of 1947 when I started having heart problems. I was taken to the hospital and diagnosed as having rheumatic fever. I was in the hospital for a week and while I was there they discovered that I was expecting again. The doctor wanted me to have an abortion as he said it was too dangerous for me to carry and deliver this child. I refused and went home and my sister came stay with me, as I could do nothing at all. I was allowed to sit in a chair for three hours in the morning and another three hours in the afternoon and had to stay in bed for the rest of the time. I didn't have any trouble and on March 3, 1948, I had Kerry, a healthy baby boy.

In April of that year, my sister was invited to a revival at the local Assembly of God church by a neighbor. My sister was then saved and baptized. It was a glorious revival and many were saved. She kept asking me to go, but I kept refusing. After the revival meetings were over I decided to go one time so she would stop pestering me. I went to a Sunday night service, and the church was packed. My sister sang in the choir and when they got through singing they had to stay in the choir loft, as there was no room for them to sit. The pastor was preaching that night and I was so under conviction that I wished he would stop preaching so I could go to the altar. When the time came, I gave my baby to the people next to me (who I didn't know at all) and practically ran to the altar. The next day my sister, the neighbor, and I were sitting around the kitchen table praising the Lord when all of a sudden a new language came from my lips, I didn't know anything about the Holy Ghost but the neighbor said I had received it. Their teaching was unknown tongues is the evidence of the Holy Ghost, but we now know that's not the evidence. The next Sunday afternoon they were going to baptize all those who were saved during the meeting. The river was not far from our house so I walked down, not intending to be baptized. I didn't even take a change of clothes. But after they had baptized all the new converts I walked into the river and was baptized and I walked home dripping wet.

A short time after that, I was in church when I started having trouble breathing and having troubles with my heart. I didn't want to interrupt the sermon, so I got up and walked outside. My sister saw me leave and came out also, when she what was happening she went out and brought out the pastors wife and they took me next door to the parsonage, anointed me oil, and prayed for me and I never had any more problems.

I soon found out that I was expecting again and couldn't go to church much since church was a 3-mile walk from home. Soon afterward we moved to a house that was too far away to walk to church so I wasn't going at all. Soon I got so cold and I backslid. On Sundays, at that time, the only radio programs you could get were preaching and gospel and my husband even though he was a sinner, loved gospel music. I would be so under conviction that I would have to go outside, and if the weather was bad, I would go sit in the outhouse so I wouldn't have to listen to the radio.

In May 1951, we boarded a train for California with only our 4 children, our clothes, and very little money. Everything was going good, my husband got a good job, and we soon moved to our own place. In the early part of 1952, I met a lady and she told
