Jesus Christ the same yesterday, and to day, and for ever

March 2009 Newsletter

Issue Date: March 1, 2009

Subject of the Month

"Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool." *[Isaiah 1:14-18]*

"Sanctify ye a fast, call a solemn assembly, gather the elders and all the inhabitants of the land into the house of the LORD your God, and cry unto the LORD" *[Joel 1:14]*

"And I think this is one of the most beautiful Scriptures, when God said, "Come, and let's you and I have a conference. Let's us get together, and kindly reason things out. But though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be white like wool. If you'll only come, and let's reason it out together." And we find tonight (as everyone knows) that we are really losing ground. We are losing ground as a people. The world is creeping in among us some way. You can see it, feel it, and can tell it. The world is moving in among us. So I think this would be a wonderful time for us to have a conference, and come talk it over with God, and find out what's the matter." *[Having Conferences, Chautauqua OH, 60-0608]*

"But when God calls a conference, it's fasting, cleaning up, prayer, receiving orders, and going forward. That's God's conference, not feasting, but fasting, not indulging in filth, but separating, cleansing yourself from all unrighteousness when you go before God. Cleaning yourself by faith, through applying the hyssop to the Blood, and cleansing your heart and walking before God for a conference, that's the kind of conferences when you meet with God. Then God gives you orders; then you go forward; He goes with you." *[Conference With God, Jeffersonville IN, 59-1220M]*

"It started in Eden, the first conference. He made a preparation. The first emergency was called, and God gave the answer and give the preparation. But people don't want to take that preparation somehow. But there was the first conference God held with man in the state of emergency; God made the decision. It isn't to us to make a decision what we should do; God makes the decision what to do! It was God that said, "You must be borned again." It wasn't the association of some denomination; it was God that said that. And it was God that said, "Except you be borned of water and Spirit, you cannot see the Kingdom of heaven." You've got to be born; that's God's remedy; that's what He decided when He bought the human race in His Presence. There you are. If that ain't straight, I don't know it. That's was His decision. The blood was the way, not fig leaves, not any other kind of a covering. But God's decision, at God's conference, for God's children that was lost, the preparation was blood, has been, always has been, and always will be." *[Having Conferences, Chautauqua OH, 60-0608]*

"The enemy has stopped you. He's brought you to a halt. Maybe you

come to a halt before the enemy overtook you. Maybe there's something in your life that's caused you to halt. Whatever it is, you're still have the privilege of a conference. Let's talk it over with Him. Let's do something about it. **No matter what the enemy is, he's never too great for our God. We need a conference.** So Moses went up behind a certain place, we'll say, and held a conference with God. He didn't know what to do. Maybe you don't know what to do. Maybe you're sinners and have done so much sin. Maybe you smoked till you can't smoke no more, and can't quit it. Maybe you've drink till you can't drink no more, and you can't quit it. Maybe you come to the place where you so full of sin and lust till you have to look upon every woman you see, wrong. Or maybe you've even perverted your own natural resources. Maybe you've come to a block. **I don't care where you're at; God's still ready to come to you in a conference and talk it over with you.**" [Conference With God, Jeffersonville IN, 59-1220M]

"There may that same type of crucial moment, maybe just not that way. **But maybe a cancer has took ahold of you, maybe some other disease. Maybe sin has took ahold of you, and it's going to crush you right down into a devil's hell, a separation from God. Hold a conference, quickly.** And when this conference was held, God stood on the rock by the side of Moses, and He said, "Go back down in the camp, Moses. Go right back where you started from. I'm God. Go down there and speak to the people to go forward. I'll make the way when it comes time to make the way. I'm the way-making God." Moses, after the conference was over and was dismissed from the Presence of God with a order to go forward, walked down, and said, "Fear not, Israel. Stand still this day and see the power of our God. Go towards the sea. Don't move from the commandment. The command is 'Go forward.' The promised land belongs to us. This enemy is in our way has got us cut off. But God said, 'Go forward. Keep moving.'" [Conference With God, Jeffersonville IN, 59-1220M]

"Maybe you've broke up your home. Maybe you've left your husband or left your wife. Maybe you run off from your children. **There**

might be many things in this life that the enemy has trapped you into. But remember, my brother, sister, you still have the rights to have a conference with God. Yes, sir. Talk it over with Him. He's a very present help in a time of trouble. What must I do, Lord. I must have this conference with You." [Conference With God, Jeffersonville IN, 59-1220M]

"But think, that God invited us. The God of heaven invited you and I (poor finite people, poor), and invited us to come to Him and talk it over of Eternal Life: "though our sins be as scarlet, yet they shall be white like snow." **It's beyond anything that I could ever imagine, that God, trying to reason with the creation that He made. But He invited us to come. And He certainly has been turned down by many people.** And if we do turn such an invitation down, then we could not expect to be blessed at His coming, at the judgment. In other words, God's saying something like this: Come and let's just set down and talk it over. I like anything like that." [Conference With God, Tifton GA, 60-0108]

"**There's only two ways to do anything, and that's the right way and the wrong way: and that's our way and God's way. Our way is always, forever wrong. God ways is for always right.** No matter how foolish it seems to us, how simple it is: **God behind it, there's nothing can stop it. God speaks it in His laws, and His ways operate perfectly.**" [Conference With God, Tifton GA, 60-0108]

"But a man that's come to God, and stood in the Presence of God, **and accept God's grace and His salvation, been borned again, and filled with the Holy Ghost, he is a son of God.** Hallelujah! All the devils in hell can't shake him away from it; he knows where he's at. He knows Who his daddy is. He knows where his strength comes from; he knows Who he's believed, he knows His God! Certainly. He knows His Word; he stays with it. He believes God. He eats children's food; he eats sheep food. Too many feeding weeds today instead of sheep food--starving them to death. **What we need today is the Holy Spirit back to feed the children, down by the shady green pastures and the still waters.** Certainly. God's peace, like a river flowing through our soul, knowing that we've

"God said, "Let us reason this together." Reason... If you're sick, let's reason it out with God. If the doctor said that you can't get well, then let's take the case to God and set down, and reason it out with Him: "Lord, I've done wrong, but if You'll just let me get well, I'll serve You all my life." Just talk it over with Him. In other words God says, "Come let us have a conference together, meet in a

Featured Questions & Answers

Question:

Did William Branham speak 'THUS SAITH THE LORD'?

Answer:

I believe the--the **Bible is the inspired Word of God**. Every Word of It is inspired. I don't believe just this is not inspired, and this is, and that is. I believe It's all inspired. It's either all right or all wrong; and if It's all mixed up, then we don't know what to do. But It's, every bit, the Truth. **I'm willing to sacrifice my life at any moment for what THUS SAITH THE LORD is here.**" [The Mark Of The Beast, Jeffersonville, IN, 54-0513]

"The Urim Thummim from that priesthood was taken away, but here is the Urim Thummim of the priesthood today, the Word of God. If a dreamer, or a prophet, or a preacher, or anything teaches contrary to this Bible, it's wrong. Let him be accursed. **But it must be built solidly upon this Word, as THUS SAITH THE LORD.** And if this Word is correctly set in order, and taught by the minister, God's solemnly under obligation to His Son to answer that Word and fulfill it. Now, that's the way I believe the Bible. I believe every word of It. Now, there may be times that I may not be able to set it together. I don't believe there's any mortal in the world can correctly set every word together, but we only can as the Holy Spirit inspires us to do. Many times, it's contrary to our teaching." [God's Provided Way Of Healing, Chicago, IL, 54-0719a]

"The Father has done spoke and it's got to be done. Watch it in the meetings. All heavens and earth will change, but it'll never change.

That's right. That's **THUS SAITH THE LORD**. It ain't nonsense. It ain't tomfoolery. It's the **Bible made manifest.**" [Jesus Christ The Same Yesterday, Today And Forever, San Fernando, CA, 55-1113]

"I see a lady standing in the midst of the air, a young woman. She's coughing at night time. It's an asthmatic condition. She's setting here on the end of the seat. You also have something wrong in the nose; it's a hay fever that bothers you. That's **THUS SAITH THE LORD**. You're setting on the end of the seat there, a black headed young woman a praying. Raise up your hand; that's it. Do you believe?"

"I seen that yellow sweater. The lady setting next to you, that you might know that I be His prophet, she is wanting prayer too, for stomach trouble. That's right, isn't it, lady? You're nervous type person. When you eat your food, it 'gurgitates' in your stomach and sours, comes back, cause you trouble, burn like heartburn, dyspep--dyspepsia. That's right. Wave your hand if it's true. If you believe, you can have what you ask for."

"Sir, you setting right behind her there: stomach trouble also. You looked around at him just then, with a back trouble. That's right. You're neither one from this country. You come from another place, out of town, place called Alma, Georgia. That's right, raise your hands? Have faith, go back to Alma and testify what great things God's done for you; give Him praise. It's your faith, sir." [Blind Bartimaeus, Columbia, SC, 56-0414]

"If God will explain to me what you're here for, will you accept it and believe it? You will? The first place, as the woman is leaving me, I see her at a table. And she's refusing to eat, because she has stomach trouble. And she is at

a place where there's somebody looking through, or into her bowels. It's a doctor. And he says, she's got a--something wrong in the colon. He calls it a stoppage, or a block, or something in the colon, the doctor did. I see it on the paper there that he was writing on. That's right. That's **THUS SAITH THE LORD**. There's two of them consulted that. That's right. See two of them. Do you believe me to be His prophet? Now, here's another thing. I see someone standing by you. It's a child, little fellow about ten years old, and he's here with you today.

And he suffers with a migraine headache. That's right. Amen. Now, take that handkerchief in your hand and lay it on him and it shall leave him. Go in peace and may the Lord Jesus Christ the Son of God grant these blessings. Don't fear, mother. Believe. Amen." *[The Deep Calling To The Deep, Columbia, SC, 56-0415]*

"The man is suffering with something wrong in his stomach; he has a stomach trouble. And it's diagnosed as a tumor, they--he says a fatty tumor in the stomach; that's **THUS SAITH THE LORD**. That is true. Now, if I never seen you in my life, there's Something here that knows you. Not only that, but you got something on your heart that you're praying for: That's a woman, your wife; she's here. If God will reveal to me what's wrong with your wife out there, will you believe me to be God's prophet and believe that Jesus Christ and what I preached about Him, is the truth? Your wife has a gallbladder trouble. And she also has cancer of the stomach. And when... You're not from this city; you come from the southeast, about two hundred miles away from here, you come here to this city for prayer. That's **THUS SAITH THE LORD**. All right, go lay your hands on her and get well in the Name of the Lord Jesus Christ. Amen." *[Sirs, We Would See Jesus, Edmonton, Alberta, Canada, 57-0804e]*

"The woman is suffering with a nervous condition. She gets nervous; she drops things. That's right. And then you got a spiritual problem, that you're trying to solve out, because you've been praying over for some time. That is true. You got arthritis. I see you trying to get from your bed, slow, especially of a morning. You got something wrong in your spine, too, a spinal trouble. That's **THUS**

SAITH THE LORD. You believe me to be God's prophet? You believe the same God that knew Simon, would know you? If God will reveal that, will it make you a strong believer, that you get what you get? They call you Nanny, and your last name's Johnson, and you live in New Albany. Return home and be well, in the Name of the Lord Jesus." *[Will The Church Go Before The Tribulation? Jeffersonville, IN, 58-0309e]*

"I'm trying to hold you on my heart. Yes, I see you examined. It's on your spine. It's a growth, and you're praying for your wife. If God will show me what's wrong with your wife, will you believe me as His prophet? It's her ears. Not only that, but I see a young man appear. That's your son. If God will reveal to me what's the matter with your son, will you believe me to be His prophet? Will the audience believe it? The boy here... It's a nervous condition and a skin condition. That's exactly right. That's **THUS SAITH THE LORD**. Do you believe you receive what you ask for? Then go on your road and rejoice. How many believes with all your heart?" *[The Evidence Of The Resurrection, Jeffersonville, IN, 58-0406e]*

"You are praising the Lord, setting there, sir. You have diabetes. I don't know you, do I? Stand to your feet just a minute. Just stay right there. There's something wrong in your... Yeah, diabetes, something wrong in your blood. Do you believe me to be His prophet, or His servant, with all your heart? I believe that. I cannot heal you, sir. I have no way of healing you, but you touched something that's brought... You're aware that something's going on. Exactly. You're not from this city. You're not from this city. You're from a place called Pittsfield, Maine. That's right. Your name is Mr. Silas Perkins. That's exactly right. **THUS SAITH THE LORD**. That's right. Do you believe? Go home and be well then. Accept your healing and go home and be made well."

"Every man in the Old Testament, when them prophets came, they become--they become the living Word. They was the Word. Jesus said they were called gods, and they were, because the Word of God came to them. They say, "It's **THUS SAITH THE LORD."**" *[Ashamed, Jeffersonville, IN 65-071]*
