Living Word Broadcast

Jesus Christ the same yesterday, and to day, and for ever

Subject of the Month

“And the LORD said, **My spirit shall not always strive with man**, for that he also is flesh: yet his days shall be an hundred and twenty years.” [Genesis 6:3]

“For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark” [Matthew 24:38]

“And after the earthquake a fire; but the LORD was not in the fire: and after the fire a still small voice.” [I Kings 19:12]

“Now, I want you to notice. We've seen--we've seen now twice that the Word come in conflict with reasons. And now, it's come again: reasoning against the Word. Now, you can choose. Joshua said the same thing. He said, "Now, if you want to choose to serve the Gods that your fathers did before the flood (See?), or do you choose to serve the gods of the Amorites whose land you possess? The fathers before the flood rode through the flood, that believed God's Word. The Amorites that turned it down, God's give you their land. Now, if you think it's evil to serve God, choose you this day who you'll serve. But for me and my house, we'll stay right with the Lord." Amen. I like that: the conflict. Notice, the day that the fort was broken in Eden, man went out. Amen. They went out. And the day that they kept the covenant of God in the antediluvian destruction, they went in. They went out of Eden; they went into the ark, and on this third they go up: Go out, go in, go up. We see what they did two times. **I'm going to stand with the Lord. Don't you want to? I want to keep the Word of God.**” [The Conflict Between God And Satan, Clarksville IN, 62-053]

“Notice, women of that day, in the days of Noah, must have been the talk of the day. See, "the sons of God," Seth's, Seth's sons, saw the daughters of Cain, that they were beautiful. Why? They were wicked, and they were daughters of Cain. "When the sons of God saw the daughters of man, they were fair, they took unto them women. Then the sons of God fell from their estate with God, and become woman-chasers." And if that ain't the picture of today, I don't know what is. That is true. Man! Even look at our churches today, look at everything you wish to, notice it. Everywhere, it looked in that day, must have been pretty women. Man became slaves to them, says history, that man became actually slaves to the women, because they were so pretty, that they become slaves. They literally made shrines, and worshipped. And, just think, they literally worshipped female

flesh and blood in that day.” [The Flashing Red Light Of The Sign Of His Coming, Jeffersonville IN, 63-0623E]

“The Spirit of God comes down in that still small voice and directs you right straight to Calvary where we are dead and our life is hid in God through Christ and sealed by the Holy Ghost. Then that Word alone lives there. "Then if ye abide in Me and My Word in you, ask what you will and it'll be given to you." There's the difference. I hope I don't appear to you as a fanatic. If I am, I'm--I'm--I'm ignorant of it. I-I believe that God's Word is Truth, and It must abide right here. And if It abides here, It will show Itself outwardly. It's got to. Your life, your whole makeup will be different. So when God gave Abraham the test, he come through a hundred percent. And when God cannot give an organization a test because it's all mixed up... God don't deal in that way with organizations. He don't deal with nations in the Gentile race. He took a people out of the Gentiles. Israel, He took a nation; but of the Gentiles He took a people out of the Gentiles for His Name's sake. So you see, it's not an organ--it's not an organization, it's an individual He takes out of the Gentiles. And when the test comes, you see what happens? We did come out for justification. We did receive the baptism of the Holy Ghost in the Pentecostal move.” [And Thy Seed Shall Possess The Gate Of His Enemy, Phoenix AZ, 62-0121M]

"Lord God be merciful to me. All though I have join church, I've made a confession but I-I don't know what it is to get quiet before You and hear Your voice leading me and teaching me. I wouldn't know what to do if You should speak to me in an audible voice. I would love to know You so that You could speak to me and direct my paths." Would you raise your hands just now and say, "God,

be merciful." The Lord bless you, everywhere, hands everywhere. Just continue putting them up. That's right. "Lord, be merciful unto me; I need You so much." Would there be some more just before closing? God sees your hands back there, lady, and all you, way in the back standing in rows and so forth. God sees you. Even to platform, up around here.” [Hear His Voice, Jeffersonville IN, 58-1005M]

“Men are afraid to speak; they're afraid to take a stand. They have to have something behind them to back them up, some great denomination, or organization, or some great band. What would men... God-called man needs is a Holy Spirit behind him to back him up. You stand alone. Today, we won't do it. We stand as a organization. We stand as a move. We stand as this, that, or the other. But God wants men to be individuals, like Elijah was. He was the only one left so far as he knew, but he stood for the right principles. Noise and the shakings didn't bother him. He waited till he heard that still small voice, then he answered. We can have gatherings across the country. We can have great stadiums full of people. We can have all kinds of things going on. It'll never help until God speaks individually to the human heart, the only thing that'll change man. It's the only thing that'll make him wrap himself over his own face, and walk into the Presence of God. The church needs it, friends. That's the kind of condition we want.” [What Hearest Thou Elijah. Chicago IL, 59-0609]

“Courage: God don't want cowards. He can't use you if you're afraid to take His Word and believe Him; He wants gallant men, won't pay no attention to nothing but what the Lord says. That's the kind He has to move with. Regardless of what the church says, what the pastor says,

what the church stands for, He stands for God and righteousness and His Word. That's the man we ne--God will send these days for His revival that His people are praying for." [God Called Man, Jeffersonville IN, 58-1005E]

"And, brother, when you once set still enough and listen, till you can hear that still small voice of Christ, It's different from any message you ever heard in your life. It brings a peace; it brings a satisfaction. It does something to you that stirs your innermost being. You're never the same. Man cannot meet God and talk with God, and ever remain the same again." [It Is I, Lakeport CA WEDNESDAY_ 60-0720]

"Now, there's a code of ethics to it. God has a new birth for you. But listen to His still small voice. Every one of you people who profess to be Christians, get yourself quiet before Him. Don't let the washing hinder. Don't let the work hinder. Don't let

nothing hinder. Don't let nobody know what you're doing. Just go before Him. Get up in the woods somewhere. Get out on the side of the road. Go into the secret closet and close the door, when the kids gets at school. There get down on your knees. You've heard all kinds of voices everywhere. But just get down and stay there until those voices are silenced and you begin to lift up. It'll change you. It'll make you different like it did this little Samuel. It'll do something to you if you'll just do it. Now, it'll make you what you should be. It'll make you the kind of Christian that you ought to be." [Hear His Voice, Jeffersonville Indiana, 58-1005M]

QUESTION:

How Should A Believer Approach 'Turning The Corners' Of Life?

ANSWER:

"A little over two years ago now, I was sitting in the room. I was reading my little Scofield Bible, and I heard something. First, I saw a Light. And I thought it was an automobile that TURNED the CORNER. But It TURNED, but It got brighter. And I looked out the door and there was no automobile. Then I heard Something coming like *this*, going... [Brother Branham knocks--Ed.]... walking. And I looked, and the Light got greater. And just above me hung a great Star. And the Light was kind of a, more of a green, between green and yellow, shining on the floor. And coming walking through this Light, came a Man that looked like, as I said before, would weigh two hundred pounds, a huge Man. He did not have beard over His face, like Christ's picture does. Who He is, I do not know. But He had... [Blank spot on tape--Ed.]... shoulder. He was

more of an olive complexion; He had dark eyes. He walked as close to me as the microphone is there." [The Angel Of God 47-1102, Phoenix, AZ]

"He put him to sleep so he would be out of the picture altogether. And we're not saved by works; it's by grace, through faith, we are saved, not one thing you can do. Not one little CORNER could you TURN to merit anything towards your salvation; it's a free gift of God by grace. That's right. If you give me a thousand dollars, and I say, "Well, I'll straighten up your tie, sir, for that." A little thing like that, yet you never give me the thousand dollars for I did something to merit that. It's absolutely a free gift of God, that He knocks at your hearts and says, "Do you wish to have it?" That's all." [Jehovah-Jireh 57-0810, Edmonton, AB]

"How shall we escape, if we neglect such?" You neglect to eat, you'll die. You neglect to TURN a CORNER, you'll wreck. You neglect to milk the cow, she'll go dry. You neglect your teeth, you'll have to have them all pulled out. Certainly. You pay for your neglectation. O

Branham Tabernacle and you visitors, let me tell you something now. You neglect to testify of the glory of God, you neglect to give God the praise and glory, you neglect to find yourself cold, formal, and backslidden, one of these days. You give God praise. "How shall we escape, if we neglect such a great salvation?" [Hebrews 57-0825m, Jeffersonville, IN]

"As she **TURNED** the **CORNER** she seen that Light flicker again. And as she looked, when she had to pass through a little narrow place, where just one person could pass, there stood Gabriel, the Archangel. It wasn't the sun, the s-u-n, she seen reflecting. He was following her, and He met her, to where He got her in a place where she'd have to look to Him. And she looked, and He was all of a glow of light around Him. Frightened the little virgin, and no doubt she grabbed her water pot, and those big eyes stared out and looked at the Archangel. He said, "Hail, Mary," or, "stop. You're highly favored before God." Oh, I like that. That little woman in the meanest city there was in the world at that time, known the meanest city, anyhow, in Palestine... And in there she had lived such a life until God chose her for a certain work that He was going to do. There she looked into His face, and it startled her." [Mary's Belief 61-0121, Beaumont, TX]

"I met a brother today; had a strange feeling to **TURN** a certain street, and go a way. I forget what the man's name was. He may be here in the meeting. Yet, if he isn't, why, God was good to him. He's a Indian, part Indian. He's from Virginia. The Holy Spirit said to me, not telling it. I had let my wife out. Said, "Go down this way and **TURN** this **CORNER**." I went down there. Oh, it happens all the time. "Wait right here." Then I waited there a few minutes. Said, "**TURN** and go back up this way." And when I did, I met him. He said, "Brother Branham, I know you." Said, "I come to Jeffersonville one time, and to find you." And said I... "You was overseas." But he had been a drunk in his life. I took a hold of his hand, him not knowing what I was doing. And he had cirrhosis of the liver. While I was standing there holding his hand, the vibration left me. What? He was healed right there on the street **CORNER** today here in your city." [Jehovah-Jireh 62-0707, Grass Valley, CA]

"I think Brother Price, this morning at the breakfast, give such a fine illustration of coming to a **CORNER**, then have to **TURN** the **CORNER**. Did you enjoy that? [Congregation says, "Amen."--Ed.] Certainly did. It was very, very well placed. Now, so remember, sometimes at the **CORNER**, but let's remember we have to **TURN** these **CORNERS**. I preached on that, one time, and called it, Junctions. We hit a junction, so often, we have to go this way and around different ways." [The Voice Of The Sign 64-0321e, Denham Springs, LA]

"We find that in each one of those ages, usually people don't want to believe It, because they're already set in their way. You're **TURNING** a **CORNER**. You're building a building. And then get to the **CORNER**, everybody is running *this* way, they don't want to **TURN** that **CORNER**. But the building goes that way, if the Word says it goes that way. See? There's where we get those junctions of time. That's where it's hard. That's where men had sweat it out. Now, remember, God never changes His way of doing things; always through the Scripture, just the same." [Christ Is Identified The Same In All Generations 64-0415, Tampa, FL]

"The trouble of it is, today, the churches speak, look like, say, "What did Moody say? What did Sankey say?" Speak and say what God said. Let's go forward, not look back. Go this a way. It's hard on these, **TURNING CORNERS**. Church don't want to believe that, you see. They're always referring back from where their educational standpoint. Course, that's a school, in itself. See? They learn that through book learning. We know That through experience, of trusting God, see, and knowing that He does do this." [A Paradox 64-0418b, Tampa, FL]

"We're not building a wall, like we start off with Luther's message, go right down a straight line, or a Pentecostal message. Right. We are **TURNING** a **CORNERS**. We're building a building. God's Word is the blueprint. Anybody can run a straight line, but it takes a mason to **TURN** the **CORNER**. It takes the power of God to do that. It takes an anointed one from Heaven, to be sent down to do that. It has, in every age. And in the prophets' age,

the Word of the Lord comes through those prophets, and they **TURN** those **CORNERS**, made those difference. But the builders wanted to build a wall. It's not a wall, at all. It's a building, a building of God." [Birth Pains 65-0124, Phoenix, AZ]

"We're at a **CORNER**. It's easy when somebody **URNS** a **CORNER**, of a brick mason, **URNS** a **CORNER**. Starts, everybody laying their bricks right down the same row, like a certain denomination starts, and starts rolling down the row, it's all right. But, when you get to them **URNS**, where you have to **TURN** back

the other way! Now, Godkk isn't building a wall. He's building a house, see, and there's many cuts and **URNS** that He's predicted here in the Bible. And the **URNS**, anybody could try to make a **TURN**, but it must be according to the blueprint. If it isn't, it's got to be torn down again." [The Rapture 65-1204, Yuma, AZ]...

Subject: Re: "Until The Time That His Word Came: The Word of The LORD Tried him" - LWB September 2012 Newsletter

Dear Bro Robert Wilson,

What a surprise!, I was meditating on the message "Hear His Voice, Jeffersonville, IN, 58-1005M" for the past one and a half week reading line by line and meditating on it...

Like Samuel did, stand still. Don't be excited. If you want something of God, ask Him, then stand still and listen to see what He's going say about it. Just open up your heart, say, "What about it, Lord Jesus?" Just stay there. If He doesn't answer the first five hours, then wait another. If He doesn't answer today then He will answer tomorrow. If He doesn't answer this week, He will answer next week. Stay there till He answers. Hear His voice speak back in your heart, and say, "Yes, I'm the Lord that healeth thee." Then its all over; you get settled then. See? "I'm the Lord Who forgives all thy sins. Now, go and sin no more. I don't condemn you." Then you can go free. You're all right. But you want to be sure that you hear that voice speak. Moses heard it. He was a changed man...

God Bless

Bro John
