64-0308 - Soul's Harbor Temple, Dallas, TX (Paragraphs: 167 - 210)

L-168 Now just before we start the prayer line, might be somebody here has never been here before. I don't know who you are, but God knows you. If I have told the Truth, let God identify it, whether it's the Truth or not, that's the proof of it. If He has raised from the dead, He is the same yesterday, today, and forever. He said in John 14:12, "He that believeth," not he that maketh believe. "He that believeth in Me, the works that I do shall he do also." Is that right? [\[John 14:12\]](#)

L-169 Someone said, "'Greater shall ye do.'" That's right. Said, "Well, we preach the Gospel, that's greater." [\[John 14:12\]](#)

L-170 Just do the things He done, that'll prove it to me, see, then we'll talk about the greater. I can show you the greater things He is doing now than He did when He was on earth, and that's not just preaching the Gospel, either; that's in signs and miracles. Not time for it. Just believe. And may the God of Heaven, Who raised up Jesus Christ from the dead, and has presented Him here alive, to us, after two thousand years, identify this Message, that It's correct. The Token has got to be applied. [\[John 14:12\]](#), [\[Exodus 12:12-13\]](#), [\[Acts 2:37-39\]](#)

L-171 Now, you that has got diseases and troubles, pray, just sincerely say, "Lord, I believe that You're 'a High Priest that can be touched by the feeling of our infirmities.' And we are told by this minister here, that You are with us, present, then I want You to be present with us and identify Yourself." Now pray, every one of you. [\[Hebrews 4:14-16\]](#)

L-172 Now it's up to God to say something. What a time! Oh, my! I wish you could just know something, how you feel when That come, the whole world belongs to you. Amen. No devil is going to do nothing, he is a defeated being. My Lord is present. It's all in our hands. Amen.

Please be real quiet. Don't walk. Sit still.

L-173 You in the wheel chairs, and things, don't think you're helpless. Believe. You--you, you've went through prayer lines, and been failed and failed. It wasn't the minister that prayed for you, failed. It's your faith, and you've begin to think you ain't going to do nothing. You believe.

L-174 Here, here is this Light here, over a little colored lady sitting back here, standing with her hands up like this. Yeah. You was praying. Yeah. You believe me to be His prophet, or His servant? I mustn't say that, 'cause it stumbles people so much. You have a fine...

L-175 Here is a white man, colored woman, just like it was our Lord and the woman at the well, two different races. He let them know there is no difference in races. Our colors has nothing to do with it. We're all... We could give each other a blood transfusion. God made, of one blood, all nations.

L-176 You're having headaches, tremendous headaches. Then you got a burden on your heart, that's for that child. And you... It's oppressed. [The sister says, "Amen."--Ed.] That's exactly. Is that true? ["Amen."] That's right.

L-177 This lady sitting over from you there, she seems to be identified with you, which is your mother. [The sister says, "Amen."--Ed.] That's right. ["Praise God!"] And she has got something wrong with her.

L-178 Do you believe me, lady? [The mother says, "Amen."--Ed.] You do? Your trouble is a hurting in your side. That's right. It's your right side that hurts. Is that right? Raise up your hand, if that's right. It ain't

going to bother you no more. You believe (if) God can tell me who you are? Mrs. Lowell. ["Amen."] Correct. ["Amen."] All right, go on your way, the Lord Jesus gives you your request.

L-179 Right out at the end of there is another little colored lady sitting, looking, that just--just like to tore her to pieces. She is looking right at me. She believes it. That, don't you see that Thing right there by her? She is suffering with kidney trouble. That's right. It's all over now; He has healed you. Amen.

L-180 Why don't you believe? "If thou canst believe, all things are possible." Do you believe that? [Congregation says, "Amen."--Ed.] Here is... Look at the colored people! Where is your faith at, white folks? [\[Mark 9:23\]](#)

L-181 Here is a colored lady sitting right here, looking right at me, kind of a large lady. She has got trouble with her knee. She has also got a trouble, she got heart trouble. Yeah. And she has got weakness, flutters and things like that, especially when you're trying to lay down, smother. See? That happened last night. Remember, I'm not reading your mind, but I know what you prayed about. You wanted to be called of this, today, and He has answered for you. Now you also can't hardly get up, because you got arthritis. That is right. And then, another thing, you've got a stomach trouble, which is a growth inside the stomach. That is true. Now do you believe me to be His prophet? I'll say it, anyhow. Believe, and you'll be made well.

L-182 What about your stomach trouble? Do you believe that God will heal your stomach trouble, sitting there, too? Do you believe it? All right, then you can have your healing of your stomach. Amen.

L-183 You want to quit smoking, there, lady? You believe God will make you quit smoking? Been trying for a long time. You got stomach trouble, also; been trying to quit cigarettes. That's what's making your stomach trouble. Will you give them up? I resent them from you, in the Name of Jesus Christ, because of your faith to touch Him.

I challenge you to believe God!

L-184 Here is a little woman sitting there praying for her... a loved one in the hospital, dying, with cancer. Right. It's an uncle. That's right. You're either... You're a minister's wife. You believe with all your heart, the man will get well.

L-185 I challenge you to believe God! What is that? The identification, that Jesus Christ. You say, "What is Christ?"

L-186 He is the Word. "In the beginning was the Word, the Word was with God. And the Word was made flesh and dwelled among us." "The Word is sharper than a two-edged sword, a discerner of the thoughts and intents of the heart." Can't you see the Word has come among us in the last days? It's the Holy Spirit taking the Word of God and identifying Jesus Christ, which is the Token. Amen. Do you believe? [Congregation says, "Amen."--Ed.] [\[John 1:1, 14\]](#), [\[Hebrews 4:12\]](#)

L-187 How many has got prayer cards? Let all on this side that has got prayer cards, stand up in this line over here. Just stand, all on that side, just that side stand out here in the aisle. No, just on the right-hand aisle, please, right there. Ushers, get to your place. Then when they get through, let the others stand up, after they come through, then vice versa with the other side. Now let everybody be reverent.

L-188 The Holy Spirit took over the meeting, so there was enough been said and done to prove. How many believes He is here? How many believes that's the Token? How many believes it's the Word? [Congregation begins rejoicing--Ed.] Look, how many knows that the Book of Hebrews said, that, "The Word of God discerns the thoughts that's in the heart"? How many knows that? How many knows that that's the reason Jesus could discern the thoughts in their heart, because He was the Word? How many believe that? How many believes that that's what was with prophets? They were who the Word come to. Now if the Word returns to us, won't It do the same? Then how can the Word that identifies the Word, be wrong by the Word? Oh, mercy! Reverent! [\[Hebrews 4:12\]](#), [\[Amos 3:6-7\]](#)

L-189 Hey, this lady sitting here, she has got something on her heart, too. I just happened to turn around and catch it. Aren't you Mrs. Grant? I never knew that. But you are Mrs. Grant, 'cause I see you with it. You got a nervousness that's bothering you. You got, your son has got something another... his blood, like, is dripping. I challenge you to believe it! Amen. He is the Master of the situation. He is the Master of death.

Let's pray.

L-190 Lord Jesus, while Your Presence is anointing us, here in this building, and we are aware this is the Holy Ghost, I pray, Lord, that You'll heal every person that wears these handkerchiefs.

L-191 One time, we're taught in the Bible, that Your people, right in the line of duty, was crossing the Red Sea, and the sea got in their way, on their road to the promised land. God looked down through that Pillar of Fire, with angry eyes, and the sea got scared, moved back, and Israel went on to the promised land, right in the line of duty.

L-192 O Lord God, let Your eyes look through the Blood of Jesus Christ, down into this Token here that we're holding over these handkerchiefs today. And may everybody that wears this, may the sickness get scared, may it move back and let Your people cross to the promise of good health. "The prayer of faith shall save the sick." In the Name of Jesus Christ, may it be so. Amen. [[James 5:15](#)]

L-193 How many believing Methodist preachers are here, Baptist preachers, Presbyterian preachers, Baptist preachers, Lutheran, or Pentecostals? How many of you believe This to be the Truth? Come here and stand by me while we pray for the sick then. Come up here, all you preachers that believe.

L-194 It's all right, ain't it? Brother Grant, that's all right? [Brother Grant says, "Sure."--Ed.] Uh-huh.

L-195 Come down here, brother. Brother Grant has got a ministry of praying for the sick. A gallant man, a good man, a man that God hears and answers prayer for, Brother Grant. I'm happy to put my arm around him today and say that, and my brother. Now he is going to be down here praying with me.

L-196 When you come through this line, just like you was coming beneath the cross. Brethren, make a double line right here, right here. Make a double line; some up here, some down there.

L-197 Brother Roy Borders, where you at? Brother Roy Borders, I thought he was here. [Someone says, "He'll be right back."]

L-198 Look at here, at the ministers, would you! Look at there. That makes me feel good, brethren. Ministers of the cross, man who is standing up here to identify themselves with the Message. What can happen?

L-199 Now, look, don't lay it onto the ministers now. They've come to identify themselves. When you pass through here, identi-... hold the Token before you, "Lord Jesus, I've confessed my sins. In return, You have give me the baptism of the Holy Ghost. I am a purchased product. Sin, sickness or nothing can hold me from here on. I'm moving right." Hold that, oh, before you, and pass through here, and God will heal you and you'll go out of here rejoicing, happy, and be well. Do you believe it? [Congregation says, "Amen."--Ed.]

L-200 Now each person in here, let's bow our heads, brethren, while together. We don't know what's going to happen. We just don't know. There is not any reason for any sick person to leave this building this afternoon. Hold that Token in your heart, pass right through this prayer line; where ministers, who has consecrated their lives to--to the service, is going to stand here, laying hands upon you as you pass through.

You say, "Why did you do that for, Brother Branham?" [[Exodus 12:12-13](#)], [[Acts 2:37-39](#)]

L-201 I want you, everyone, to know that just... I'm not the healer. These man has just as much right to pray for the sick as anybody else. Frankly, I believe God would answer their prayers before He would

mine. I'm tired and wore out, and everything. I--I believe that He would answer their prayers. And here they stand right in the midst of it, to identify themselves, not ashamed to take their place. I appreciate man like that.

L-202 Now, brethren, I know your feeling. I'm, I am one with you. I am the one that's weaved my net with you, out here in Texas, to try to catch every one of them fish that God has ordained to Life, out there. I'm doing my very best. I am with you, one hundred percent. Sometimes I scold and holler about organization and things. That don't mean I'm against you, my brother. I mean I'm against the system that would separate us from being brothers, because of some religious doctrine. We are brothers by the baptism of the Holy Ghost. We hold the same Token. We've received the same Blood, so let's believe that. We can meet There (can't we?), brethren, every one of us under the Blood.

L-203 Now, I was ordained a Baptist. Maybe you're a Methodist, or Lutheran, or Prebysterian, Pentecostal, Oneness, Twoness, Threeness, or whatever you have, Church of God, whatever it is. That don't make any difference. We can't agree upon them little things, let's forget about it then.

L-204 Something we can agree upon, that Jesus Christ our Saviour died for our sins, rose again and give us the Token. We're standing here with our prayers, to hold over these sick brothers and sisters that pass through this line. I'm going to believe it with all my heart.

L-205 I seen something happen right then. Amen. I know you think I'm crazy, but I'm feeling good crazy. I just hope I can stay this a way. Yes, sir. I just feel wonderful this way.
Let's pray.

L-206 Lord Jesus, I'm walking off this platform, down here, to identify myself with these brothers. I'm identifying myself with them, as we all are holding our Tokens in our hands, and in our hearts. As we obey Your command, "to lay hands upon the sick, and they shall recover." May every person passing through here, present their Token, that they have received the Holy Ghost, that they are a born-again child of God, that they believe it with all their heart. And as they pass through, may they curse that disease and affliction of their body. And may they go out of here rejoicing, knowing that their faith has made them whole.

L-207 And, Lord God, as we laid, the Old Testament, our hands upon the sacrifice, to identify ourselves with the sacrifice, we lay our hands upon Jesus and identifying ourself with Him. He laid His hands upon us now in the ministry, identifying Himself with us, by signs and wonders. And we are laying our hands upon the sick, to identify ourselves with them, with our faith connected with them. Sickness has to go, and may it do it in the Name of Jesus Christ, as we walk down here to receive it.
Let all the congregation pray.

L-208 Roy or somebody come here and stand by this microphone, and keep the lines straight.

L-209 Look, as you pass through here now, come believing, come praying. We're just going to lay hands on the sick. Come right through. Pray. When you pass through the line of this ministers; if you're walking on crutches, lay them down and walk away. If you've had cancer, sickness, say, "The doctor has done all he can do, he has done all he could, and he said I'll have to die. I'm not going to die. Here is my Token, Lord. You've promised me a threescore and ten. I'm going right through here, doing it." See, do that. Will you do it? [Congregation says, "Amen."--Ed.] In Jesus' Name, may it be so. Amen. [\[Exodus 12:12-13\]](#), [\[Acts 2:37-39\]](#)

L-210 All right, let the line through. [Brother Branham and the ministers pray for the sick, as a brother leads the congregation in singing Only Believe and other songs. Blank.spot.on.tape--Ed.]

I believe!

All my doubts are buried in the Fountain.

64-0311 - Municipal Auditorium, Beaumont, TX (Paragraphs: 149 - 195)

L-150 Now, if I have spoke the Truth and told you that these things are supposed to be, and here it is in the Bible, that this is the hour. You might have been taught in another school. So was the Pharisees. But the Bible said, in that day, "A virgin shall conceive," He... She did. He said the characteristics of the Messiah would be thus. It was. But they didn't believe It. That didn't stop Him from going right on just the same. Same as it is now. We're living in the last hours of the last day.

L-151 Science says it's three minutes till midnight. I think it's later than that now, most any time. Communism has wormed the country, and preachers are gone after communism instead of Christ. It just look like go out trying to condemn that, why not see the hour we're living in? Communism, we ain't got... My, my! I ain't afraid of communism. It's the Coming of the Lord is going to catch you unprepared, is what it is, to the church. Now let everybody, let all America turn to God, and watch what happens to communism. You have to find the disease, and then get the cure.

L-152 Now, everybody reverent, please don't move around. Now, how many out there that does not have a prayer card, and you want God to heal you, just raise your hand, say, "I--I--I'm believing." No matter where you are.

L-153 Now look, I think this is alive, [Brother Branham blows into the microphone--Ed.] this. All right. If you have... Can you hear me back here? All right. All right. Now you watch it, Brother Roy.

L-154 Now, one Word from God will mean more than all I could say.

L-155 Now, as looking from here, it's hard, this--this always was. See, the lights are right in your face, and it's kind of hard to see out there to see the people.

L-156 And I don't know. I can't see one person, actually, that I can see now that I know. How many of you is strangers to me, raise up your hand, know that I don't know nothing about you. I guess it's everywhere. How many in the prayer line knows I know nothing about you, raise your hands. All along the prayer line there, if you can hear me, raise up your hands if--if I'm a stranger. Every one.

L-157 Now what is He? He's the High Priest that can be touched by the feeling of our infirmities. That woman that touched His garment, she might not a-had a prayer card, either, but she touched Him and, when she did, something happened. Now you touch the same way, touch Him. How many knows that Hebrews, the 4th chapter, says, "Now He's the High Priest that can be touched by the feeling of our infirmities"? How many know it? Well, would He display His same characteristic? If He's the same yesterday, today, and forever, He would. All right. Now, is this the... [\[Hebrews 4:14\]](#)

L-158 Brother Pearry, you bring them to me now. Now I want everyone to be real reverent. Right here, just right here, sister.

Now, can you hear me? Now, I don't know. You watch ever who's on the--the engineer there, 'cause I don't know how.

L-159 A vision. Now, remember, I am not no Messiah, I'm no Christ. But He is here. That's what I'm trying to get you to see, He's here, He's keeping His Word.

L-160 Now, if this woman is sick, I don't know. I don't know her. She's older than I. We probably born years apart, and miles apart, this is our first time we meet.

L-161 Now, that's just like our Lord met a woman, in St. John 4. I'm trying to make it so clear you can't keep from seeing it, then, at the Judgment Bar, there's no blood on my hands at that day. Now, Jesus promised that in the last days this would take place again. As we go through the week, you'll find out. It's a promise.

L-162 Now, I do not know the lady, this is a man and a woman meeting for the first time. Now, if the Lord Jesus will reveal to me what you're here for, or somebody else, or what you're doing, or what's

wrong with you, or what you have done, if it's finances, domestic, whatever it is, it'll have to come from some supernatural Power, 'cause I don't know you. How many will witness to that, that it has to come through a supernatural Power? Now, you can play like the Pharisee, say it's a... (Around the other side, Brother Roy, see.) You can play like the Pharisees, and say, "It's an evil spirit," which many do. That's between you and God, then. Then you have their reward. But if you say, "It's of God," then you have His reward. (Now, that's better. Thank you.)

L-163 Now just look at me just a minute. As Jesus said... As Peter and John passed through the gate called Beautiful, said, "Look on me." I--I do not know you. And now if the Holy Spirit, Somebody besides me, will come and reveal what's in your heart, then the Bible said, "The Word of God is sharper than a two-edged sword, a Discerner of the thoughts, intents of the heart." That's exactly what the Bible says. Now, that reveals then the secret of the heart. Now, that would be the characteristic of God, the Word made manifest in this day. How many believes that now? Now you see what it is? [\[Hebrews 4:12\]](#)

L-164 Now I've preached it, told you about it, but is it true? That's the next thing, see. Now, if it's true, every one of you... If it isn't true, she'll know it. Certainly, she'll know it. You'll know it, too. But if it isn't true, then I've--I--I've witnessed wrong of Christ. If it is True, each one of you should give your hearts to Him, should believe Him with all your heart, and reach up and accept Him for whatever you have need of. That's true.

L-165 Now may the Holy Spirit identify Himself in the Name of Jesus Christ. Now, I have no idea what you're there for. You just look like a nice-looking, motherly-like woman standing there, and that's all I know about you. But the Holy Spirit can reveal what you're here for, what your trouble is, or something. You'll know whether it's the truth or not. Now, you're, what it is you want prayer for, is something like the muscles in your face. It's neurology, like, in your face. Now, if that's right, raise up your hand. Do you believe?

Now, now you might say, "He just guessed that."

L-166 Now, she's a fine person. Now, just look here just a minute, sister. I don't know what He told you. But whatever it was, it was true. You, you're a witness of that now, aren't you? [The sister says, "That's right."--Ed.] That's right. ["For twenty years."] My! You believe that God will heal you for that? Now, you know It's His Presence, there's Something here that knows you, Something. Like Jesus said to the woman, He knowed where her trouble was, now He knowed where your trouble was.

L-167 And it seems like that you are burdened for somebody else. It's your... It's a man, it's your husband. He's here, also. That's right. And--and you believe that God can reveal your husband's trouble to me? [The sister says, "Yes, I do."--Ed.] He's a real sick man, he has complications. One thing that's bothering him, is heart trouble. He has a heart trouble. If that's right, raise up your hand. ["That's right."] He also has a hernia. ["That's right."] That's right. See? That right? Yeah. Real nervous, yeah, real nervous. That's true, isn't it? ["Yes."]

L-168 If Jesus will reveal to me! He told Peter who he was. If He'll reveal to me who you are, will you believe it's Him? [The sister says, "Yes."--Ed.] You're not from here. ["No."] You come from the east of here, you're from Louisiana. ["Right."] That's right. Right. And your name is Mrs. Coleman. ["That's right."] Return home, Jesus Christ makes you well. Your faith does your healing.

L-169 Now believe. Do you believe with all your heart? Jesus Christ identifying Himself in His resurrection! You see what I mean? Now, anybody that's got normal mind, knows that no human being can do that.

L-170 Now, you out there, you say to God like this, "I--I--I know the man doesn't know me, so I'm going to pray for something. Lord, can I touch Your garment? If it is, then You identified Yourself in Your resurrection. Turn, let me touch You, and then You speak through him to me." See what happens. Just

try it.

L-171 How do you do, sir? Would you come this way just a little closer? There's people back behind you there, see.

L-172 Everything now, it's your every--every spirit, is just like a throb. You catch it, see, also know their thinking, and it gets, see, you get all mixed up.

L-173 Do you believe me to be His servant? Do you believe that Christ could reveal to me what you're here for? Remember, we're going to meet at the Judgment Bar someday and give an account for this tonight. You aware of that? Your trouble, one of them, is in your back. You have many troubles. You have a back trouble. And your eyes are going, you have eye trouble. If that's right, raise up your hand. Now, you also are doing something you want to get away from. Is it all right for me to say it? You want to quit that smoking. And--and another thing, you've had... you feel that that's been the thing that's hindered you from receiving the Holy Ghost. Now you want to receive the Holy Ghost, that's a desire in your heart. That's right, wave your hands like this. Well, it's left you now, go, receive the Holy Ghost, and be healed. God bless you, sir.

L-174 You believe? Now please be real reverent. Now we're getting real late, just sit still just a moment.

L-175 How do you do? We are strangers to each other. [The sister says, "Yes."--Ed.] The Lord Jesus knows us both. Now don't be afraid, see, you're kind of... See, just relax, It's His Presence. See, that's it. It's His Presence. Now you have a real strange feeling, odd, kind of a sweet, humble-like feeling. See? Now, standing in the presence of a man wouldn't make you feel that way.

L-176 How many ever seen that Light, that Pillar of Light, Fire? It was taken right here in Texas, first time, second time. It's hanging right by the woman, see, in this dimension now. I wish you would just... if you just see.

L-177 When you start moving, that's what does it, see. Tomorrow night we'll have this prayer line by nine o'clock, see, I--I'm keeping you too long. Let's take this one woman, then. Just a minute.

L-178 You believe, sitting there? Yes, for that weakness you're bothered with, that's what's wrong. See? What did she touch? I don't know the woman. She touched the High Priest. But, see, I had my back to her, just as it did in Abraham's time. Here, look this way, sister, just a minute. You seem to have a burden on your heart. It is. It's your daughter back there. She's got trouble with her ears. That's right. You believe now with all your heart? All right, just believe now, and she'll get well.

L-179 See what I mean? "If thou canst believe, all things are possible." Do you believe?

L-180 There's a little lady took her hand down back there, she's looking right at me. She's suffering with diabetes. Do you believe that God will heal that diabetes, sitting down there? All right, you can have what you ask for, then. Just believe.

L-181 Lady over there from you, has got colon trouble and bladder trouble. Do you believe that God will heal that, make that well? All right, you can have what you ask for. The little lady's hand. See, now look, just ask her, Something real sweet struck her. See, her faith, that's what's a-doing it. It's not me. It's God.

L-182 Here, here's a man sitting right here on the end. He's got bronchial trouble, this elderly man sitting right here looking at me. You believe that God will heal that, sir? That one sitting next to you is suffering with an infection in her body. That's right, sister, wave your handkerchief if that's right. All right. All right, you all lay hands on one another, believe with all your hearts. Father and daughter, so why not? Lay your hands on one another and believe with all your heart, Jesus make you well.

I--I challenge your faith to believe it!

L-183 The lady sitting right behind him there, suffering with a stomach trouble. You believe God will

make you well, lady? That's your trouble. If that's right, stand up on your feet so the people can see. See? (Who are they touching out there?) Say, I'm not mistaken, there's your mother sitting next to you there. She has an infection in her bowels. You believe that God will heal that, lady? Stand up, also, and be healed.

L-184 Believe! He's the same yesterday, today, and forever. He identifies Himself. Do you believe me to be His prophet, or servant? That stumbles people, say "prophet," they don't understand.

L-185 Look here. Do you believe with all your heart? You're suffering with an extreme nervousness. You believe I can tell you what caused it? You had an automobile accident. [The sister says, "That's right."--Ed.] That's right. That's right, automobile wreck, and it's hurt your back and went in your shoulder. Is that right? It's going to leave you now. Just the time of life that also has bothered it, agitating it, but you're going to be all right. Go, believe with all your heart. Jesus Christ will make you well, if you'll believe. Amen.

L-186 You believe? You believe He can heal arthritis? Well, just keep on walking then, He'll make you well.

L-187 How many believes with all your heart, say, "I truly do believe with all my heart"? "If thou canst believe!"

L-188 You believe He heals diabetes and makes people well, with sugar diabetes, and heals them? You believe it? Just keep on walking, say, "Lord, I thank You for it." Believe with all your heart, and you shall be healed.

L-189 How many believes out there now, with all your heart? Don't, see, you're moving around, you're disturbing It, friends. I'll tell you, how many believes? Just raise up your hand, say, "I believe with all my heart."

L-190 Now I'm going to ask you to do something. Now, if Jesus has kept His Word, and believes that, and has proved it to you, Jesus also said this, His last commission to His Church, "These signs shall follow them that believe." Now how many believes? He said, "If they lay their hands on the sick, they shall recover." Do you believe that promise? Then lay your hands on somebody next to you.

L-191 If He doesn't heal you, you'll die. You're shadowed. But Jesus Christ makes you well. Do you believe it? All right, put your... go ahead and believe now, and you'll get well.

L-192 Come lady. Do you believe that God will heal that TB and diabetes, make you well? Take... All right, go, believe with all your heart, and be well.

L-193 Praying, are you praying one for another? Lay your hands on one another, let's just pray, all together. Everybody lay your hands on one another. It's getting late. Put your hands on one another, and let's pray.

L-194 Lord Jesus, we are sure that God identifies Himself among His people. His characteristics, as the same yesterday, today, and forever, manifest themselves. O Lord God, You Who made the promise of the Word, You said, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." These people has confessed to be believers, the believers in the resurrected Jesus Who is identifying Himself now by His same characteristic that He was when He was here on earth, making the Scriptures positive Truth, that He's the same yesterday, today, and forever. Lord Jesus, with these believers with their hands on each other, in the Divine Presence of the resurrected, identified Son of God Who is made flesh among us again tonight in the flesh of His believers, I command every unclean spirit, every sickness and disease, to depart out of these people, as these believers have their hands on one another. In the Name of Jesus Christ, may it be so. [[Hebrews 13:8](#)], [[Mark 16:17](#)]

L-195 All that will believe your healing now, that believes that right now, in the identified Presence of the

resurrected Son of God, that you believe that you have your request given to you, and will identify the same thing, stand on your feet and say, "I accept it with all my heart." Stand up, everybody, in the Presence of Jesus Christ, that will believe. Praise Him! Give Him praise and glory. Just raise up your hands and give Him thanks. God will confirm every promise that He made.

64-0312 - Municipal Auditorium, Beaumont, TX (Paragraphs: 188 - 243)

L-189 It's God! Now if somebody thinks, "A gift is a--a great big knife. God give you a gift, you can take it and slice it, and do what..." You've got the wrong conception of a gift. A gift is knowing how to get yourself out of the way, and let God do what He wants to do. See, it's knowing how to relax yourself, that God can use you in the way that He wants to. Just get yourself out of the way. See?

L-190 Now I don't know none of these people, don't know this person here. Here is a lady standing here, she looks about like my precious one that just passed on to Glory, recently. Wouldn't I be a horrible thing, if my mother could look from Glory tonight, think I'd come here to deceive a poor person like that? What objective would I have? I'd be insane. I'm here to try to help you, lady.

L-191 And the only thing I can do is just do what I'm commissioned to do. I can't make people believe. I can't make no one believe. Only, I have...

L-192 I'm not a theologian. I'm not even... I'm not a ke-... I don't call myself a preacher, see, because I have no education. A preacher today is somebody that's got their Bachelor of Art and Doctor's degree. Why, I don't know what them things are.

L-193 Somebody asked me the other day, said, "You don't use your nouns and pronouns right."

L-194 I said, "I don't know what they are. I--I don't know." I didn't know what a noun was, or a pronoun. I couldn't tell you, to save my life, difference between a noun and pronoun. I can't tell you.

L-195 But one thing I know, I know Him, the Power of His resurrection. That's all I care about, see. "Him," is the One I want to know. "To know Him, is Life." And that's what I'm after, Life, to live. That's what you're here for, Life, to live. [\[Philippians 3:10\]](#)

L-196 Now, lady, if the Lord Jesus will reveal to me something that you have done, something that you ought not have done, something that you're here for. Like He did the woman, told her what was wrong with her; maybe tell what's wrong with you, if there is, then you'll know whether it's the truth or not. You'll be witness of that. Would that make you... You would know there is Something, something had to come from somewhere. It couldn't be natural. It'd have to be Supernatural. All right. Would it cause you to believe that this Word that I've said, it would be God interpreting His Own Word, then that would be God vindicating?

L-197 Will the audience believe the same? [Congregation says, "Amen."--Ed.] Be reverent now. Now remember, be real reverent.

You say, "You're stalling, Brother Branham?"

L-198 Yes, certainly. I don't know the woman. It's got to take something else, the Angel of the Lord, the Holy Spirit Itself.

L-199 That Pillar of Fire that led the children through Israel, Israel through the wilderness. See, when He was there, He was Jesus. "Moses esteemed--esteemed the reproach of Christ greater riches than that of Egypt." He forsook Egypt. [\[Exodus 13:20-21\]](#)

L-200 When Jesus was here on earth, He said, "I come to God, and go to God." He died, buried, rose, ascended up. [\[John 13:3\]](#)

L-201 And Saul, on his road down to Damascus, was struck down by that same Light. And that Jew would have never called some freak light, "Lord." And He said, "Lord, who are You?" He knowed that was the

Lord that led his people through the wilderness. [\[Acts 9:1-9\]](#)

L-202 He said, "I am Jesus." "The same yesterday, today, and forever." [\[Acts 9:1-9\]](#)

L-203 Now if that same Light is among us, see, then It vindicates Itself by producing what It did there. Now if He will do that, that'll make us believe and be happy, won't it? May He grant it. You are... [\[Acts 9:1-9\]](#)

L-204 I'm just getting you to say something. See, when you... When you get yourself away, it lifts way up; and just any word you say, anything. See, you're a human being, got a spirit. And whatever that Spirit is, soon as It anoints, I see, I can see just what it is and which way you're going there, by the... That's a gift of God. That's the way He did it, said to the woman. Same thing, exactly the same thing.

L-205 Now you are here because you're in behalf of somebody else. You're wanting prayer for somebody else, and that somebody else is in the hospital. Yeah. And it's tuberculosis. And that's your husband. That's right. And another thing I seen, he is shadowed to death. There is a dark spirit over him, because he isn't a Christian. That's right. Isn't that true? See? He isn't a Christian. He is shadowed to death. And you're interested that he does receive Christ.

L-206 And I see you've had some trouble, too. Or they're expecting you to have TB, or something another. That's it, you had an x-ray or something. They've--they've just x-rayed you for TB. That is right, isn't it?

L-207 Now will you go, to believe with all your heart? Now just as you have believed, whatever you believed This was now that knows it, just as you believed it; go to him, tell him what's happened here, and maybe that dark spirit will leave; he'll be saved, then he'll get up and come home. Now believe with all your heart now. God bless you.

L-208 You believe? [Congregation says, "Amen."--Ed.] That's, you can judge It whatever you wish to. It's up to you now.

L-209 How do you do, lady? I suppose we are strangers to one another, but you believe that God could reveal to me your troubles? [The sister says, "Yes, sir."--Ed.] And if He would, it would cause you to believe greatly, wouldn't it? That man come up from here, I see. You believed that a few minutes ago. No, you are here standing for somebody else, too, that's your husband. ["Yes, sir."] Do you believe that the Lord Jesus can reveal to me what is wrong with your husband? Do you believe it? He has a hernia. That's right. And there is a child here that has an affliction, that you are praying for, too. Do you believe that that will happen, too? All right. Do you believe with all your heart now? Just as you have believed, so be it un-... See, I can't heal. I can only pronounce, see, what I see. And you believe with all your heart, it'll be the way you have believed it. You believe it, and the Lord bless you. God bless you.

L-210 Just don't doubt. Have faith. Just real reverent. Now if--if you start... Don't start moving around. See, you're sitting real nice. Stay like that and listen, for a few minutes.

L-211 How do you do, sir? I don't know you, we're strangers to each other, but we've got to meet at the Judgment Bar of Christ and answer for our--our appearing here tonight. You believe that, don't you? You certainly do. I--I just watch a Light, sir, see, it's anointing, the Holy Spirit.

L-212 Now, you're suffering with your stomach. Your stomach is bothering you. That's right. And you've got something you're trying to get rid of, a habit. And that's really what's causing your stomach, it'll go to cancer pretty soon if you don't stop it, smoking. Do you believe that God will take it away from you and make--and make you well? You will? Do you believe if I laid hands upon you now... while this Something that you know that seems mysterious to you? But that anointing of Christ, if I'll ask Him to take that thing away from you and make you well, you can lay her down and walk away. Do you believe that? [The man says, "I believe that."--Ed.] Come here. Come here, sir.

L-213 Satan, upon the basis of our faith, the Presence of Jesus Christ Who triumphed over you and all

your kind, I charge this devil, that's sending this man to a premature grave, with them cigarettes, come out of him, in the Name of Jesus Christ. Amen.

L-214 Go now and be over with it. Believe, and live like you should.

L-215 Do you believe? [Congregation says, "Amen."--Ed.] Just keep believing.

L-216 How do you do? Mighty friendly-looking lady, do you believe Jesus Christ to be the Son of God? Do you believe me to be His servant? The reason I say that, when He... Did you ever read my book? It said in there, "If you can get the people to believe you." See, that's the main thing, you got to believe it. You've just... No other way to approach God but, through a gift, but to believe it.

L-217 Like Martha said, "I-I believe that You're the Son of God. If You had been here, my brother would not have died." See? She approached it right. When, she had a right to fuss at Him about not coming, but she didn't do it. She come with reverence, and she got what she asked for. [\[John 11:21, 32\]](#)

L-218 Now do you believe that--that God is present and knows all things? And you believe that He is able to reveal to me the things that's wrong with you? The trouble is in the stomach. You have complications, many things wrong. And you got complications, that's a growth that's in the stomach. That's right about that. That's right. All right. Miss Whitley, you go on back down, believe with all your heart, and you'll get well. All right. Strange I called your name? He knows you, too, see.

L-219 How do you do? Now you got a lady's trouble, and that shows that it's in the ovaries, and it's a cyst in the ovaries. Do you believe that Jesus Christ can remove that cyst? I ought to tell you what happened to my wife just recently. See, when... You heard the testimony? Well, can't yours be like hers? All right, it'll be that way if you'll just believe it with all your heart.

L-220 Look here, young lady. Yours is a lady's trouble, too, female disorder. Do you believe that Jesus Christ is present to make you well and to heal you? And you believe then that it'll all be gone, and all over with, and you'll get well and be... live a normal life? All right. Go, believe it now, it'll just be that way.

L-221 Do you believe that God can heal sugar diabetes, too, make you well? All right, just keep on walking across the platform, saying, "I believe Him." And you'll get over it if you just believe it. A blood transfusion of Calvary will make it so.

L-222 Now there's something happened in the audience, I didn't get it just right.

L-223 A lady sitting right here, looking at me, is suffering with stomach trouble. Do you believe that Jesus Christ makes you well?

L-224 Right next to her is a lady that's got a heart trouble. Right back there with the... Right behind, the dark-looking hat on, with a heart trouble.

L-225 You had it, too. You did have it. See, I said you had it. You're both free now. Jesus Christ makes you both well. All right, go on the road then, and God bless you. Have--have faith, believe with all your heart.

L-226 At your age, you have complications, many things wrong. But one of the main things you want prayed for, is your heart, too. Do you believe He'll make you well from that heart trouble, and heal you? All right. Go, believing it, saying, "Thank You, Lord," and you'll have your healing.

L-227 A nervousness has bothered him a long time, give him a prostrate, getting up at night, but one of the main things you have, is this diabetes. Do you believe that God can heal you of that and make you well? Just keep moving on, saying, "Thank You, Lord Jesus. I believe with all my heart."

L-228 God can heal any kind of blood disease, anemia, or anything else. Do you believe that? All right. Just go on, and God will make you well. Believe it.

L-229 How do you do? I see you trying to get up from the bed, real slow, arthritis just about got you. But you believe that he's going to leave you, tonight, and now you're going to be well? Just keep walking across the platform, saying, "Thank You, Lord Jesus," and believe with all your heart.

L-230 Do you believe with all your heart? Let him go ahead. He was healed there, anyhow, so just--just... He caught that, himself, though!

L-231 Come. Do you believe the Lord Jesus can heal stomach trouble and make you well, and send you home to eat? Go ahead and believe it, and Jesus Christ will make you well.

L-232 Come, lady. Do you believe the back trouble,...?... trouble, things, will leave you, as you go across this? Keep moving, saying, "I thank You, Lord Jesus."

L-233 What do you all think? Has--has this done anything to your eyes, for the day? Do you believe with all your hearts? [Congregation says, "Amen."--Ed.] Just look going there, with the people!

L-234 Now you in the audience, you believe, see what Jesus Christ the Son of God, if He is still the Son of God.

L-235 Yeah, those people going, sitting in, they're all happy; looking to one another, rejoicing, telling one another about what great things the Lord has done.

L-236 Little lady sitting here, suffering with a back trouble. Sitting right here, with the gray-looking hair; no, the lady behind you. You touched Something, didn't you? You know it wasn't me. It was Him, the High Priest. Do you believe with all your heart, that your back won't bother you no more?

L-237 Would you like to lay them cigarettes down, and say, "I'll never pick them up again, sir," the lady sitting next to her? You tried it a long time, but you can't have faith over it, somehow. You believe now you got faith over it? Raise your hands if you say, "I believe it now." All right, don't smoke no more. Go home and be well. Do as you ought to do.

"If thou canst believe!"

L-238 The little lady sitting here with the red coat on, looking at me, suffering with arthritis. Do you believe that God can make you well, lady? You do? All right. You can have yours. All right.

L-239 Did that thrill you, sister sitting over there? The lady has got complications. She is going to miss it. God, help me. Mrs. Cox, do you believe? All right. Didn't... He thought he would get by with that, but he didn't do it. You got it, though.

Let's say, "Praise the Lord," friends. Don't you know...

L-240 Sir, you have cancer, yellow jaundice. You can't live, laying there. That's right. I don't, I can't heal you. But you couldn't hide what's wrong with you. See, it's there. You, you can't live sitting there, you know that, 'cause you're--you're gone. They say it's in your stomach, and it is. It's in the liver, which is causing the jaundice to come up. But do you believe with all your heart, and ready now, like those men who laid at the gate down there at Samaria, say, "Why sit we here till we die?" You're going to die, laying there. You've only got one chance, and that is to accept Him while you're in His Presence, and believe it with all your heart. Will you do that? Then, in the Name of Jesus Christ, believe it with all your heart, and rise up, take your cot and go home, thanking and praising God.

L-241 Do you believe that? Oh, God will give him strength, don't worry about that. If he... There he is, going to take his cot, fold her up and go home.

L-242 The rest of you believe? Stand up on your feet now. What about you getting up? I don't care what's wrong with you, raise up. Raise your hands and give Him praise.

L-243 Lord Jesus, they're in Your hands, in the Name of Jesus Christ!

L-192 May they not only be baptized with water, which is only an--an outward sign that something inside has happened. The Bible said, "There is one Faith, one Lord, one baptism," and that baptism is spiritual baptism. The body being washed, it's just only an illustration, or to give a sign that something inside has happened. But it's that soul that's got to be baptized with the Holy Ghost, that's the Eternal coming into that human nature and changing it around, to make it a believer. I pray that they'll receive the Holy Spirit. I command them to You now, as trophies of the Message, and of the grace of Christ. In His Name, I pray. Amen.

Now with your heads bowed, reverently.

L-193 I just got seven minutes, I--I couldn't get out on time. I--I--I couldn't have a prayer line in that much time. I'm going to ask you to sit right where you are. I'm sorry to a kept you late. We'll pray for every one. You people, some of you out here that's got prayer cards, don't worry, we'll get you.

L-194 But we're going to just see if the Holy Spirit will reveal to us now, if you believe in Him and you believe that this is the sign. Remember, the Angel, He was a man; He eat, He drank before Abraham, and yet He could, and Sarah in the tent, He could discern the thoughts that was in her heart. That was the sign. He was the Word. Now if the Word can only come to us, then, also, He promised to perform the same thing.

L-195 Now you out there in the audience, that doesn't have prayer cards, and you know you're not going to be in the line, I can't discern which is which unless the Lord would show me. I'll... And you believe that God certainly heals the sick. I--I want you to--to believe right now, for a few minutes. And just pray, and say, "Lord Jesus, I know the man, speaking, is--is a man, but he told me that, has told us tonight, and proved it to us; that, the Holy Spirit, that the world cannot kill."

L-196 They could kill Jesus when He was in flesh; they put Him to death. But now He is raised, in a glorified condition, He can never be killed no more. And He said, "A little while and the world won't see Me no more. Yet, ye," the predestinated, the ones that's ordained to Eternal Life, the Church, the Bride, "ye shall see Me, for I'll be with you, even in you, to the consummation. The things that I do shall you do also." All these promises He made. [\[John 14:12, 19\]](#)

L-197 Now, I know when He was here on earth, He, God was in Him. He was God. He was the fulness of God. He was all the Word of God made manifest.

L-198 And the Bible is still God, the Word, and there is some of the revelation yet to be revealed. And He said, "In the last days, when the world become like Sodom again, the Son of man would be revealed." And the sign of Sodom would return, then the Voice will call back the people, those who are ordained to Life. [\[Luke 17:26-30\]](#)

L-199 We know, when He was here, there were millions of people on the earth, that never knowed He was here; no reason to know. See? He come to those who were predestinated to see it.

L-200 Now you pray. Now be real quiet. Don't move. Wherever you are, balconies, on the lower floors, wherever you are, don't--don't move, just sit real still, and pray.

L-201 Say, "Lord Jesus, the Bible said, in Hebrews 4, that You are right now 'a High Priest that can be touched by the feeling of our infirmities.' And we see You on earth, when You were here on earth, a little woman one time touched Your garment, and You turned around, and said, 'Who touched Me?'" She hid herself, but yet her faith was identified. Jesus told her about her blood issue, and said her "faith had saved you." Now He is that same High Priest. If He is the same yesterday, today, and forever, He'll have to act in the same way, if you--if you touch Him. [\[Hebrews 4:15\]](#), [\[Luke 8:43-45\]](#)

L-202 And what does that do then? There has to be human flesh, on earth, to speak His Voice. "I am the Vine, you are the branches." There is no way of getting around it, friends. It's just Scripture. It's the Truth. You ministers believe that, back there? [The ministers say, "Amen."--Ed.] [\[John 15:5\]](#)

L-203 Now out there, just be real reverent and pray, say, "Lord Jesus, let me touch Your garment."

L-204 And you see the closest one to me, is twenty feet or more. I don't know a soul out there. I can't even see nobody that I really know, tonight, sitting there; except Pat Tyler sitting here in front, a friend of mine. There is people on cots, stretchers.

L-205 We seen a stretcher case open up last night, and the man got up and walked away. Why can't you all, tonight? See, just believe, that's all you have to do. His Presence will do it. Here He is, you're going to have to stand by Him to raise you up at the last days.

L-206 Now, you that believe, and think that you're praying through, just look this a way now.

L-207 As Peter and John said, "Look on us." And they looked earnestly, the man did, expecting to see something. He said, "Silver and gold have I none, but such as I have..." [\[Acts 3:6\]](#)

L-208 Now, healing have I none, but such as I have, a gift from God, give I you. If you'll just believe it, God will work it. I'm only asking you to believe it. Such as I have, I'll give to you. If you'll believe it, God will work it. Just try it.

L-209 Here, here It is right now. Amen. I like that. There is a lady sitting right here. She is kind of heavysset, sitting right here on the end. Do you have a prayer card, lady? Kind of a heavysset... You don't have a... Right here, you don't have a prayer card? Yes. You don't have a prayer card? You believe, anyhow? You don't need a prayer card, if you believe.

L-210 There is a rebound in the voice, that's the reason it's hard to call people like this, but try to listen to me as close as you can now.

L-211 I don't know you. You have no prayer card, therefore you'll not be on the platform. If God will reveal to me what your trouble is, will you believe that (what?) it would be the same thing just like He revealed to the woman what her trouble was? The woman at the well? Sarah, what she had said, and so forth? Do you believe that? You believe that it would be all right?

L-212 You are suffering with a blood condition, something wrong with your blood. If that's right, raise up your hand. All right. You don't have it now. It turns Light over you. Jesus Christ has honored you.

L-213 Now, I never seen the woman, in my life. Now what is that? It's got to be Spirit. Now you can say like the Pharisees, "That's the devil," well, you get their reward. You say, "It's Christ," you get the reward of Christ. I believe that it's the Word being identified in these last day; not me.

L-214 Here, here is another little lady sitting right down here. She is suffering with varicose veins in her legs. She has complications. She has heart trouble. She is praying for a loved one, that's a brother. She is weeping now. She's in contact. That brother is very seriously. It's a diabetic case. And, also, he has another shadow, he's a sinner. And you are praying for him. That's right. Miss Welton, if you'll believe with all your heart, God will do it for him. You believe it? That's your names.

L-215 Now is that any more than what Jesus said to Simon, "Your name is Simon, you're the son of Jonas"? Just have faith. Don't doubt it. Believe it with all your heart. If you believe it, God will bring it to pass. If you can just... [\[John 21:15-17\]](#)

L-216 Here, here is a little lady sitting right over here, looking right at me here. She's kind of got red hair. Her hair is pulled back.

L-217 Can't you see that Light, kind of an amber, a circling around over the woman? She knows it's happening right now, 'cause she feels It. It's so close to her, she can't help from feeling It. If that's right, lady, raise up your hand. There she is.

L-218 Now I'm a total stranger to you. I don't know nothing about you. But you were sitting there praying. That's right. If that's right, wave your hand like this. Now, if Jesus Christ is the Son of God,

which He is, a High Priest sitting at the right of God... And I'm just standing here by a gift, with myself un-... out of, just out of human reasoning, not thinking on my own; a way to relax my own mind and thinking, and just let God move in. Do you believe that He... Me, God knows I don't know you; and you know the same. So if the God will reveal to me your trouble, or something you are waiting for, wanting, or something more, do you believe that God will, can do that?

L-219 You've got trouble with your back. That's one of the things you're praying for. And you got trouble with your eyes. Do you believe that God will heal them and make them well? You do? You do? Do you believe God can tell me who you are? Mrs. Hallman, you believe with all your heart now, you can have what you asked for. Do you believe?

L-220 Here is an elderly woman sitting just a little ways behind her there. She is praying, also. She has diabetes. I hope she don't miss this. It's right over her. She is kind of aged. Just a minute, may the Lord help me now. Her... There she caught it, all right, now, see, when she was in contact. She isn't from here. She is from Louisiana. Her--her city is a place called Singer, Louisiana. And she is suffering with diabetes. Her name is Mrs. Doyle. If that's right, raise up your hand. All right. I'm a total stranger to her, never seen her in my life. But Jesus Christ, the Son of God, knows all about you.

L-221 There is a lady sitting back there, from the same city, a place called Singer. She is suffering with high blood pressure. And her name is Clark. You believe, Mrs. Clark? All right, you can have what you asked for.

You believe? [Congregation says, "Amen."--Ed.]

L-222 There is the sign! Listen at the Voice! Repent, get back to God as quick as you can! Jesus Christ is here in the Power of His resurrection; a wicked and an adulterous generation receives a sign of Jesus Christ living among people. He couldn't do that just with me, it's got to be you, too. See, the woman had to touch His garment. You had to touch His garment. We're just instruments.

L-223 Do you believe with all your heart? Now if you believe that... How many believes it, raise your hands, like this, say, "I truly believe it."

L-224 Now if you believe it, Jesus said this, "These signs shall follow them that believe; if they lay hands on the sick, they shall recover." Do you believe that? [\[Mark 16:17-18\]](#)

L-225 Now it's late. We haven't time. We're twenty-five minutes now till ten. Will you just lay your hands over on one another, then? And just do as I tell you now, just put your hands on one another.

L-226 Now you know, upstairs, everywhere you're at. Now you know, as well as anything now, after the Scripture being preached and clearly identified all the way across the building.

L-227 I see another one, right now. See? And another one right here, prostrate trouble. A lady with TB. Uh-huh. Say, It's just everywhere now, but It weakens you.

L-228 What different, what more? You see fifty, sometimes there is that, and you want to see seventy the next time. Jesus did that one time at Sychar, and the whole city believed on Him. They were watching for the Messiah.

L-229 The Messiah is here, the Holy Spirit, the Messiah of this day; the Messiah that's making the Word be vindicated, of His promise.

L-230 Now I want each one of you, as you lay your hands on each other, if you're believers. Now you don't pray for yourself. You pray for that person, and they're going to be praying for you. Now, the same Word that promised this in the last days, promised also...

L-231 And remember, Jesus said, "These signs shall follow them that believe." The healing, coming back, is the voice that the sign has been recognized. They lay hands on the sick, as a sign; the voice is a "hallelujah, the Lord has healed me!" Now if these signs accompany a voice, that sign, if you are a

believer, it will accompany. The voice will accompany the sign. [\[Mark 16:14-19\]](#)

L-232 If I give you this sign, that I told you it comes from God, and God promised it in this day; it's been so thoroughly laid out, there is not nothing but an infidel could keep from believing it. See? Then God turned around and confirmed it, to make it so. Now He is here.

L-233 Now each one, in the way you pray at your own church, if it's to yourself, loud, whatever it is, you pray for the person you got your hands on, 'cause they are praying for you.

L-234 And now look up. And in the Presence of the Messiah, the Christ, the Resurrected One, still alive after two thousand years, how can we be so numb in the Spirit? That ought to set this nation on Fire. That ought to make Beaumont repent, in sackcloth and ashes. But will it do it? No.

L-235 But you who are looking for Him, and believe that He would do it and keep His Word, it's to you now the promise is given. Put your hands on somebody and pray, while I pray for you from here.

L-236 Lord Jesus, enough has been said, enough has been done. The Word that has been promised has been made manifested. The Messiah, the Christ of God, is in Divine Presence. We feel Him. We see Him. We know that He promised this in the last days. "As it was in the days of Sodom, so shall it be when the Son of man is revealed." Then, we know. [\[Luke 17:29-30\]](#)

L-237 We see the--the fire in the skies, the atomic bombs. We see the worm-eaten nations, nations a breaking. We see that Israel is in the homeland. Every sign that could be promised, has been fulfilled. The next thing is the promised Son, Coming.

L-238 O Eternal God, in the Presence of Jesus Christ, the great Holy Spirit that's here now confirming that He's here, hear the prayer of these people, hear these Christians; that, when I leave, they won't say, "Brother Branham did this." Somebody else they didn't know, laid hands on them, and they were healed. But You've promised that the Voice had a sign to it. And may they be healed, as I commit them to You, in Jesus' Name.
